Group

Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational
Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential
What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable
The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong
Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

Dear Parents,

Your family is important to our church, and we want to support your role as spiritual leader to your child.

In our effort to provide the highest quality Christian education, we are using **FaithWeaver NOW**® Sunday school. FaithWeaver NOW makes Bible learning fun by using a variety of active experiences to help students learn in the ways they learn best.

FaithWeaver NOW also helps people of all ages “weave faith into life” by applying the Bible to their lives throughout every week. With FaithWeaver NOW, students walk through the Bible over the course of three years.

Research shows that the most powerful influence on children’s faith development is the conversation about faith that takes place in the home. We want to partner with you in your child’s Christian education.

With the resources that are part of FaithWeaver NOW, you can make a huge contribution to your child’s Christian growth by leading activities and discussions that help make connections and apply what’s learned at church to daily life. That’s why every week your child will receive a take-home page that includes ideas for family discussions and activities that will help cement what your child learns at church.

All FaithWeaver NOW resources—for infants through adults—explore the same Bible passage each week, making it easier for you to help your family grow in faith together.

This quarter, we hope you’ll find encouragement in your role as a parent and a spiritual leader to your child. May these tools serve to remind you how important you are in your child’s life—and how blessed you are to be entrusted with this awesome responsibility!

God bless you,

Your **FaithWeaver NOW** Church

IN THE BIBLE

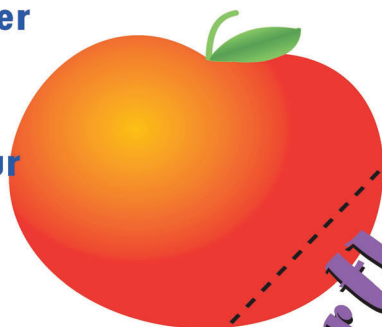

Family Fun

Walk through your house as a family, looking for evidence of the importance of God in your lives. Be sure to notice things like pictures hanging on the walls, Bibles in various

places, books and other possessions, and the kinds of events you have scheduled on your family calendar. Talk about how important God is in your family life. Then discuss how you might work as a family to make God even more important to you.

Jesus chose to use a tree/fruit metaphor to explain an important spiritual concept. Jesus told his listeners that people are like trees: They all bear fruit, either good or bad. So how can you tell the difference between a good tree and a bad tree? Good trees give good fruit, and bad trees produce bad fruit. People are the same way. You can tell what's in people's hearts by how they behave. Like fruit, our actions show who we really are. People whose lives are being changed by Jesus will show it in the way they act. (Luke 6:43-45)

- Why do you think Jesus chose to explain this concept by comparing people to trees?
- What are some actions that might be considered "good fruit"? "bad fruit"?
- What are some ways God has produced "good fruit" in your life?
