Group

Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational
Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential
What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable
The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong
Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

God's World

Growing With Jesus

Your child learned that God helps us just as he helped David and gave him a crown (from 2 Samuel 5:1-5). Your child participated in one of the following activities today. You can do these activities with your child to help your child grow with Jesus throughout the week.

INFANT

God Helps Us Rhyme

Hold your baby on your lap. As you say the following rhyme, gently take baby's hands in yours, and raise them to heaven on the phrase "God is always here." Cross baby's hands over his or her heart on the word *love*.

**God helps us when we sing and play.
God helps us listen as we pray.
God is always here; he gives us all his love.
God helps us; he's watching from above.**

TODDLER

Good Gifts

Look through magazines, and cut out an outdoor picture.

Ask: **Do you see my pretty picture? There are many beautiful things in it. I see** [name a few things in the picture]. **What do you see?**

Allow your child time to look at the picture and point to or tell about things he or she sees.

Say: **All of these wonderful things are gifts from God. God helps us and gives good gifts to his children.**

2-YEAR-OLD

Counting on a Caring God

Use the "God's World" coloring page on the reverse side of this page.

Say: **God gives us many wonderful things. What do you see in your picture?** Tell what you see also.

Say: **God helps us and gives us good gifts like all the things in your picture.**

Safe, Secure, and Special

Babies and toddlers develop a sense of security by learning that they are special to parents and caregivers. Reassuring words, hugs, and pats demonstrate that you value your child. Tell your child how special he or she is to you and to God. This helps little ones grow up confident in who they are and whose they are.

Help your child become a FaithWeaver with these ideas:

- Take a nature walk through your backyard or at a park. Remind your child that God helps us and gives us good things.
- Help your son or daughter say simple prayers. Emphasize that God helps us when we pray.

Dear Parents,

Your family is important to our church, and we want to support your role as spiritual leader to your child.

In our effort to provide the highest quality Christian education, we are using **FaithWeaver NOW®** Sunday school. FaithWeaver NOW makes Bible learning fun by using a variety of active experiences to help students learn in the ways they learn best.

FaithWeaver NOW also helps people of all ages “weave faith into life” by applying the Bible to their lives throughout every week. With FaithWeaver NOW, students walk through the Bible over the course of three years.

Research shows that the most powerful influence on children’s faith development is the conversation about faith that takes place in the home. We want to partner with you in your child’s Christian education.

With the resources that are part of FaithWeaver NOW, you can make a huge contribution to your child’s Christian growth by leading activities and discussions that help make connections and apply what’s learned at church to daily life. That’s why every week your child will receive a take-home page that includes ideas for family discussions and activities that will help cement what your child learns at church.

All FaithWeaver NOW resources—for infants through adults—explore the same Bible passage each week, making it easier for you to help your family grow in faith together.

This quarter, we hope you’ll find encouragement in your role as a parent and a spiritual leader to your child. May these tools serve to remind you how important you are in your child’s life—and how blessed you are to be entrusted with this awesome responsibility!

God bless you,

Your **FaithWeaver NOW** Church

The FaithWeaver NOW Student Book is woven into every lesson to provide an essential transformative experience that makes the Bible unforgettable.

BONUS...every Student Book includes weekly take-home activities!
