Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's

Relational

Learner-to-learner interaction enhances learning and builds Christian friendships.

Experiential

What learners experience through discussion and action sticks with them up to 9 times longer than what they simply hear or read.

Applicable

The aim of Christian education is to equip learners to be both hearers and doers of God's Word.

Learner-based

Learners understand and retain more when the learning process takes into consideration how they learn best.

The Widow's Oil

Growing With Jesus

Your child learned that God cares for us (from 2 Kings 4:1-7). Your child participated in one of the following activities today. You can use these activities with your child to help your child grow with Jesus throughout the week.

INFANT

Smooth Oil

Set your baby on the floor next to you. Gently rub baby oil onto your baby's hand.

Say: **Oil feels good when we rub it on our skin. I'm taking care of you by rubbing oil on your hand. God gave the woman lots and lots of oil so she could sell it and buy food to eat. God cares for us.**

TODDLER

Drum Roll

Say: **Let's sing a song to celebrate that God cares for us. The woman poured the oil God gave her into pots and pans, so we're going to bang on pots and pans while we sing a song.**

Give your child a pot or pan and a kitchen utensil. Play a recorded praise song, or sing one such as "Jesus Loves Me" with your child. Encourage your child to sing and bang on the pots and pans.

2-YEAR-OLD

Joyous Jars

Cut colored tissue paper or construction paper into 1-inch squares. Draw a simple jar shape on paper, and set out a glue stick or bottle of washable glue.

Say: **The woman had a jar of oil. God turned a little bit of oil into a whole lot! Let's make our own oil jar to remind us that God cares for us.**

Help your child glue the paper pieces onto the jar shape. Set aside the "jar" to dry.

Nice Serve!

One of the most powerful memories you can give your child is doing a service project as a family. Develop traditions of caring for people in need. Take your child with you to visit a person who's housebound. Make an annual tradition of helping your child choose food to donate. The lifestyle of servanthood you model for your child will last a lifetime.

Help your child become a FaithWeaver with these ideas:

- Have your child help care for a pet or a household plant. Say a brief prayer of thanks to God for caring for us.
- Together, choose toys to donate to a charity or friend in need. Talk about how because God cares for us, we can care for others.

Dear Parents,

Your family is important to our church, and we want to support your role as spiritual leader to your child.

In our effort to provide the highest quality Christian education, we are using **FaithWeaver NOW**[®] Sunday school. FaithWeaver NOW makes Bible learning fun by using a variety of active experiences to help students learn in the ways they learn best.

FaithWeaver NOW also helps people of all ages “weave faith into life” by applying the Bible to their lives throughout every week. With FaithWeaver NOW, students walk through the Bible over the course of three years.

Research shows that the most powerful influence on children’s faith development is the conversation about faith that takes place in the home. We want to partner with you in your child’s Christian education.

With the resources that are part of FaithWeaver NOW, you can make a huge contribution to your child’s Christian growth by leading activities and discussions that help make connections and apply what’s learned at church to daily life. That’s why every week your child will receive a take-home page that includes ideas for family discussions and activities that will help cement what your child learns at church.

All FaithWeaver NOW resources—for infants through adults—explore the same Bible passage each week, making it easier for you to help your family grow in faith together.

This quarter, we hope you’ll find encouragement in your role as a parent and a spiritual leader to your child. May these tools serve to remind you how important you are in your child’s life—and how blessed you are to be entrusted with this awesome responsibility!

God bless you,

Your **FaithWeaver NOW** Church
