Group

Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's

Relational

Learner-to-learner interaction enhances learning and builds Christian friendships.

Experiential

What learners experience through discussion and action sticks with them up to 9 times longer than what they simply hear or read.

Applicable

The aim of Christian education is to equip learners to be both hearers and doers of God's Word.

Learner-based

Learners understand and retain more when the learning process takes into consideration how they learn best.

God Creates the World

Genesis 1:1-2:3

Instructions: Have children each use an eyedropper to place four to five drops of green and blue watercolor paint in the white circle. Then have kids carefully pick up their pages and move them side to side and in a circular motion to allow the paint to move on the paper. Have kids use folded paper towels to absorb the excess liquid. Children can then use watercolors to finish creating their the wonderful worlds. *(For additional instructions, see the Teacher Guide.)*

Daily Challenge®

This week, your child learned that God made everything.

Your child committed to one of the following challenges to thank God for his creation. Help your child weave faith into life this week and follow through on the challenge!

- 🌀 Ask your mom or dad to let you take pictures of things you love in God's creation. Then say a prayer of thanks for what's in each picture.
- 🌀 Go outside with a family member or friend. Point out something that God made on each day of Creation.
- 🌀 Ask your mom or dad to help you visit kids.nationalgeographic.com on the Internet and look at all the wonderful animals God created! Tell what you like most about the way God made each animal.

What I Learned Today...

Bible Time: This week's Bible passage (Genesis 1:1-2:3) tells us that God made everything. God created the heavens and the earth; night and day; the sky; the land and plants; the sun, the moon, and the stars; birds and fish; animals and people—*everything!* God made everything, and it was good.

Key Verse: "In the beginning God created the heavens and the earth" (Genesis 1:1).

Help your child make a mobile to represent the days of the Creation. Use

a large embroidery or quilting hoop (available from craft stores). Tie three 18-inch lengths of yarn to the hoop at equal distances around the circle. Gather the lengths and tie them together in a knot in the center above the hoop. You'll hang the mobile by this knot. Next ask your child to gather items to hang on the mobile: small plastic animals, glittery stars, or small silk flowers. Help your child tie a length of yarn to each item, and then tie the other end of the yarn to the hoop. Help your child hang the mobile in his or her room as a reminder that God made everything!

Work with your child to mix this candy dough,

and use it to sculpt some of the things God made! Have your child wash his or her hands, and

set out a large bowl and a spoon. Help your child use a spoon at first, then his or her hands, to mix $\frac{2}{3}$ cup sweetened condensed milk with $4\frac{1}{2}$ cups powdered sugar. If the mixture is too crumbly, add water a drop or two at a time. Divide the dough into fourths, and add red, yellow, blue, and green food coloring. Let your child sculpt a variety of objects such as trees, animals, and people. When you've finished, enjoy eating the candy creations together. If you want to save the dough for later, it will keep for about a week in an airtight container in the refrigerator.

ASK 🌀 What did you like about making things with the dough?

🌀 What do you like about God's creation?

ASK 🌀 What's your favorite thing on the mobile?

🌀 What can our family do to take care of God's creation?

Dear Parents,

Your family is important to our church, and we want to support your role as spiritual leader to your child.

In our effort to provide the highest quality Christian education, we are using **FaithWeaver NOW**[®] Sunday school. FaithWeaver NOW makes Bible learning fun by using a variety of active experiences to help students learn in the ways they learn best.

FaithWeaver NOW also helps people of all ages “weave faith into life” by applying the Bible to their lives throughout every week. With FaithWeaver NOW, students walk through the Bible over the course of three years.

Research shows that the most powerful influence on children’s faith development is the conversation about faith that takes place in the home. We want to partner with you in your child’s Christian education.

With the resources that are part of FaithWeaver NOW, you can make a huge contribution to your child’s Christian growth by leading activities and discussions that help make connections and apply what’s learned at church to daily life. That’s why every week your child will receive a take-home page that includes ideas for family discussions and activities that will help cement what your child learns at church.

All FaithWeaver NOW resources—for infants through adults—explore the same Bible passage each week, making it easier for you to help your family grow in faith together.

This quarter, we hope you’ll find encouragement in your role as a parent and a spiritual leader to your child. May these tools serve to remind you how important you are in your child’s life—and how blessed you are to be entrusted with this awesome responsibility!

God bless you,

Your **FaithWeaver NOW** Church

The FaithWeaver NOW Student Book is woven into every lesson to provide an essential transformative experience that makes the Bible unforgettable.

BONUS...every Student Book includes weekly take-home activities!
