Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational

Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential

What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable

The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong

Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

Jesus Teaches About Good Fruit

Luke 6:43-45

Instructions: Cut out the circle of fruit. Also cut out the holes shown on the tree. Place the fruit circle *behind* the tree. Help your child push a paper fastener through the center. Assist your child in separating the prongs of the paper fastener and then flattening them against the page. Your child can make the fruit tree change by turning the circle so different fruits show through the windows. (For additional classroom instructions, see Teacher Guide.)

What I learned today...

Bible Time: This week's Bible story (Luke 6:43-45) tells us God helps us grow. Your child learned God causes all living things to grow—plants, trees, animals, and us! Each tree God made is recognized by its own fruit. Apples come from apple trees, oranges from orange trees, and pears from pear trees. As God helps the trees grow, he'll help your child grow into a man or a woman, too. We are God's children; as we grow and learn to do good things for God, our light will shine in this world.

Key Verse: God forgives us and always loves us (adapted from Nehemiah 9:17).

This week your child learned that God helps us grow. Your child committed to one of the following challenges to trust God to help with growth. Help your child weave

faith into life this week and follow through on the challenge!

- Before you turn off your light and go to bed, ask God to help you grow each day.
- Ask a parent to pray with you. Curl up in a ball and ask God to help you grow. When you've finished praying, stand up slowly and stretch while thanking God for helping you grow closer to him.

Let your preschooler

help you make and serve a fruit salad with several different kinds of fruit.

Have your child separate the fruit before eating it. For example, put all the bananas in one bowl and all the mandarin oranges in another bowl.

- ASK**
- ☉ What kind of trees do apples grow on?
 - ☉ What kind of trees do bananas grow on?
 - ☉ What will you grow up to be?

It's the beginning of March—spring's right around the corner.

Take a walk with your child and look for signs of new spring growth. You might see spring bulbs starting to pop up, grass beginning to turn green, or buds on the trees.

You might see spring bulbs starting to pop up, grass beginning to turn green, or buds on the trees.

- ASK**
- ☉ What are some signs that spring is almost here?
 - ☉ Who makes the grass and the flowers grow?
 - ☉ Who makes us grow?

Dear Parents,

Your family is important to our church, and we want to support your role as spiritual leader to your child.

In our effort to provide the highest quality Christian education, we are using **FaithWeaver NOW**® Sunday school. FaithWeaver NOW makes Bible learning fun by using a variety of active experiences to help students learn in the ways they learn best.

FaithWeaver NOW also helps people of all ages “weave faith into life” by applying the Bible to their lives throughout every week. With FaithWeaver NOW, students walk through the Bible over the course of three years.

Research shows that the most powerful influence on children’s faith development is the conversation about faith that takes place in the home. We want to partner with you in your child’s Christian education.

With the resources that are part of FaithWeaver NOW, you can make a huge contribution to your child’s Christian growth by leading activities and discussions that help make connections and apply what’s learned at church to daily life. That’s why every week your child will receive a take-home page that includes ideas for family discussions and activities that will help cement what your child learns at church.

All FaithWeaver NOW resources—for infants through adults—explore the same Bible passage each week, making it easier for you to help your family grow in faith together.

This quarter, we hope you’ll find encouragement in your role as a parent and a spiritual leader to your child. May these tools serve to remind you how important you are in your child’s life—and how blessed you are to be entrusted with this awesome responsibility!

God bless you,

Your **FaithWeaver NOW** Church

The FaithWeaver NOW Student Book is woven into every lesson to provide an essential transformative experience that makes the Bible unforgettable.

BONUS...every Student Book includes weekly take-home activities!
