ELEMENTARY • QUARTER 8

Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational

Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential

What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable

The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong

Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

Take-It-Home Flyer Tips

Follow these steps to get Take-It Home Flyers off the ground effectively so they'll cruise on a direct flight home.

1. Follow your Simply Loved Leader Guide. The end of each elementary lesson is strategically written to incorporate these flyers.
2. Read the first page to your whole group of kids first. This is meant to be a quiet prayer time that intentionally connects kids to their friend Jesus.
3. Next, ask the "Talk Starter" question aloud, and give time for kids to discuss and pray in Connect Crews.
4. THEN, *and only then*, distribute Take-It-Home Flyers to kids. If you choose to forgo this strategic order, prepare to have papers whizzing by your head before you're ready for them.
5. Be sure to point out the challenge on the top of the folding instructions page. That'll *really* motivate kids to make sure this page gets home.
6. Be sure to give each helper a copy, too—not to fold for themselves, but so kids can reference the instructions once folding begins.

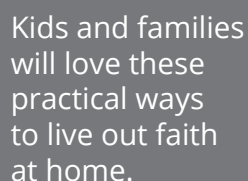

Prepare for takeoff!

Help your ministry to families really take off with these specially crafted Take-It-Home Flyers. After reading each Jesus-centered flyer and talking with their Connect Crews, kids will follow the directions and fold these flyers into 3-D masterpieces!

Once home, they'll transport meaningful opportunities for Jesus-centered family fun.

Cool questions help family members tell stories about their own friendship with Jesus!

Kids and families will love these practical ways to live out faith at home.

After kids make Bible discoveries at church, families can explore more about each lesson's Bible content at home.

The Holy Spirit Comes

(Acts 2:1-12)

“Anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!”

(2 Corinthians 5:17)

Jesus changes everything...and gives us his power through the Holy Spirit.

Think about how many times you’ve used power in the last 24 hours.

You’ve charged a phone or tablet. You’ve opened the refrigerator and poured a nice cold glass of juice. You’ve turned on the lights.

There may not have been electric power in Bible times, but there *was* power that’s greater than anything else. It was from the Holy Spirit! When Jesus returned to heaven, he knew his friends would need some help spreading the good news far and wide.

So Jesus changed everything by sending the Holy Spirit. Think of the Holy Spirit as a super-duper, mega-watt phone charger...for *you!*

The Holy Spirit plugs you in to the power of Jesus—which changes everything.
