

Take-It-Home Flyers

ELEMENTARY • QUARTER 1

Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational

Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential

What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable

The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong

Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

Take-It-Home Flyer Tips

Follow these steps to get Take-It Home Flyers off the ground effectively so they'll cruise on a direct flight home.

1. Follow your Simply Loved Leader Guide. The end of each elementary lesson is strategically written to incorporate these flyers.
2. Read the first page to your whole group of kids first. This is meant to be a quiet prayer time that intentionally connects kids to their friend Jesus.
3. Next, ask the "Talk Starter" question aloud, and give time for kids to discuss and pray in Connect Crews.
4. THEN, *and only then*, distribute Take-It-Home Flyers to kids. If you choose to forgo this strategic order, prepare to have papers whizzing by your head before you're ready for them.
5. Be sure to point out the challenge on the top of the folding instructions page. That'll *really* motivate kids to make sure this page gets home.
6. Be sure to give each helper a copy, too—not to fold for themselves, but so kids can reference the instructions once folding begins.

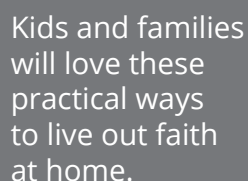

Prepare for takeoff!

Help your ministry to families really take off with these specially crafted Take-It-Home Flyers. After reading each Jesus-centered flyer and talking with their Connect Crews, kids will follow the directions and fold these flyers into 3-D masterpieces!

Once home, they'll transport meaningful opportunities for Jesus-centered family fun.

Cool questions help family members tell stories about their own friendship with Jesus!

Kids and families will love these practical ways to live out faith at home.

After kids make Bible discoveries at church, families can explore more about each lesson's Bible content at home.

Jesus Teaches About Following Him

(Matthew 7:15-29)

“Anyone who listens to my teaching and follows it is wise, like a person who builds a house on solid rock.”

(Matthew 7:24)

Jesus knows what's best for us... so we follow him.

Maybe you've noticed: People *love* telling you what to do.

Friends, celebrities, demanding coaches, even YouTube channels—they all dish out advice about who to be. With so many voices screaming in your ear, how do you decide which voice matters?

Do this: Tune out the shouting and listen for the calm, loving voice of Jesus. Ask him to guide you, and then watch for his answer. It may come through the Bible, a teaching at church, or words from a trusted friend who knows Jesus. However it shows up, hear his advice—and follow it.

Because nobody knows you better than Jesus knows you. Nobody loves you more than he loves you. Jesus is the kind of leader you actually like to follow.

Jesus is your rock. When you build your life on him, you're exactly where you need to be—always.

Talk-Starters

Other than Jesus, who do you like to follow? What have those people said or done to make your list?

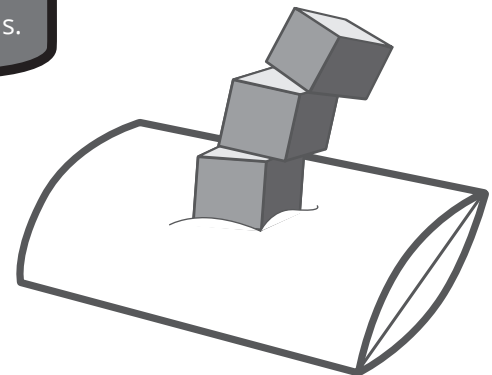

Try-This-@-Home

Gather the people you live with. Try stacking books or blocks on a solid surface, such as a floor or table. Then try on a squishy surface, like a pillow or a pile of blankets. Talk about how the first surface is like following Jesus.
