Where Kids Experience God's Greatest Gift

### Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

**Relational**

Person-to-person interaction enhances spiritual growth and builds Christian friendships.

**Experiential**

What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

**Applicable**

The aim of ministry is to equip people to be both hearers and doers of God's Word.

**Lifelong**

Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.
