Where Kids Experience God's Greatest Gift

Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational

Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential

What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable

The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong

Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.
