Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational
Person-to-person interaction enhances spiritual growth and builds Christian friendships.

Experiential
What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.

Applicable
The aim of ministry is to equip people to be both hearers and doers of God's Word.

Lifelong
Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

Welcome

WELCOME TO TWO OR MORE

The children's curriculum specially designed for small churches!

Small Churches Rock!

We see you, small churches. And we love you!

For too long, you've had to adapt curriculums that are geared for big groups of kids or that felt like big productions—when you have totally different needs and strengths.

And that's why we created Two or More—to help you shine!

With Two or More, you can rest assured that every lesson is designed just for you. Every lesson will...

- be simply laid out and easy to follow—easy to glance at quickly to maintain eye contact with kids
- be geared for smaller, mixed-age groups of kids
- help you capitalize on your greatest strength: your ability to foster relationships

...all while helping kids know Jesus and build lifelong faith!

Here's a fact: One of the greatest emotional needs kids have is to feel *seen*, *known*, and *loved*. To have that sense of "I belong here" and "people would notice if I weren't here."

Those needs can be hard for big churches to fill. It takes a lot of intentionality for big churches to create small groups and make every child feel like he or she has a place.

But for you? That's your greatest strength! When you have only a few kids, you can't help but connect with them! Every child who comes into your church is seen, known, and loved.

Maybe you've thought that unless you grow in number, your efforts are of limited value—like teaching only a few kids isn't really making a big impact. But consider this: Jesus loved small. Sure, he taught big crowds. But he really invested his time in a relationship with 12 followers. And even among them, he had three he mentored even more closely.

When a boy brought Jesus a small offering of fish and bread, Jesus made it work. When Jesus saw a mustard seed, he said *that's* what faith should be like. When one sheep went missing, he noticed—and cared a lot.

Jesus can do a lot with small.

HOW DOES IT WORK?

You may be wondering...can I really teach effectively when I have 3-year-olds and 12-year-olds in the same class?

Yes!

Two or More ensures that every lesson will be impactful to a child of any age.

Here are the ingredients of our secret sauce to ensure kids across age ranges are impacted:

- **Mentoring.** Older kids help younger kids, giving older kids a leadership role and responsibility.
- **Adaptability.** We've provided tips if you need to skew for a mostly younger or mostly older group.
- **Movement.** Because kids are moving, they're engaged—and kids of all ages need to move.
- **Authenticity.** You'll find thought-provoking, personal questions that don't ask kids to recite facts or knowledge.
- **Simplicity.** Kids learn *one* easy-to-remember Bible point each week.
- **YOU.** Because you're there, loving every one of them, kids will walk away feeling seen, known, and loved.

Plus, you'll find that while each quarter of Two or More includes bite-size themes, you'll work through the Bible, both Old and New Testament, every year! This approach helps you give a strategic, thoughtful faith foundation to kids in your ministry.

We've curated the most small-church-friendly parts of Dig In curriculum, adapted it just for you, and designed it in a glanceable layout that you're sure to love.

TWO OR MORE LESSONS

So, what can you expect as you dive into Two or More?

Check In

This section was designed to really hone in on the small church's ability to see and know kids. Each week, there's a general question about how kids are doing—a chance for them to share openly. And because you only have a few kids, there's time for *everyone* to share.

Set the Stage
To set the stage, you'll ask a more fun, imaginative question that helps kids gear up for the day's Bible point or story.

Experience the Bible
Kids won't sit passively and listen to you tell a Bible story. The Bible comes to life in an experiential way! With simple, effective experiences, kids get to unpack what happened in the Bible...and why that matters today.

Hands-On Discovery
We surveyed small churches and found that most of you *love* to do crafts or science experiments. In Hands-On Discovery, kids get their hands busy and make exciting crafts or see how science can point us to God. But these crafts and object lessons aren't merely busy work—they're intentional experiences geared toward discovery and life application.

Play a Game
Yes, you can play games! Even with mixed ages. Even with only two kids. You'll never see a game in Two or More that requires you to break into teams...because we know your small group may *be* a team! But we also know that kids love to play *with you*. So, no matter how many kids you have, join in the fun to help build relationships! Plus, every game wraps up with questions that help kids make a connection to the Bible point.

Activity Pages With a Purpose
Coloring sheets and puzzles are nothing new in children's ministry. But *these* puzzles are! That's because these aren't time-fillers to set out and keep kids quiet. Each puzzle is an experience that...you guessed it...leads to discovery. And because you have mixed ages, you'll find a puzzle option and a coloring option that appeals to whatever skill level kids have.

Pray Together
Of course, prayer is important! And this section models that by helping kids get involved in praying, rather than simply hearing their teacher pray. With your smaller group, it's a great chance to give *every child* a turn to pray.

BONUS: Explore More
We know that some churches are pressed for time, and may not even be able to use all the experiences above! But we also know that sometimes, you have more than an hour to teach, and we want to make sure every moment counts. Your time with kids is limited and precious, so don't rely on disconnected games and activities to "fill time." Instead, use this intentional experience that furthers kids' exploration of the Bible point.

BONUS: Sing Together
We know that some small churches have kids in "big church" for worship, and others don't. So if you need to incorporate worship music in your lesson, we've got you covered with all-included downloadable music videos and audio tracks in the Digital Download Center. Need a DVD? The Best of Dig In DVD, available at group.com, has all the same great songs you'll find online!

Don't feel like you have to do *all* the options. With Two or More's one-point learning, you're guaranteed to cover the point of the lesson, no matter how far you get!

God Makes People

Genesis 2:4-7, 18-23; Ephesians 2:10

Lesson 1

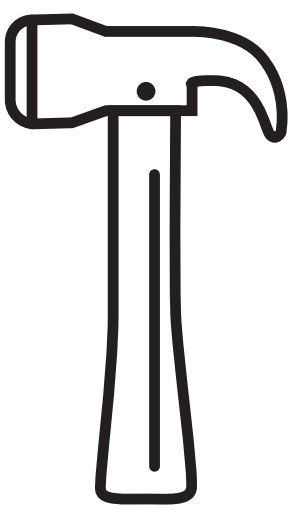

Teacher Background

What Happens: God creates people in his image. As God's most treasured creation, people are in charge of the garden, and God tasks Adam with naming the animals he created. God creates Adam first and then creates a helper just for him: Eve.

Why It Matters: Kids may range from very self-confident to very insecure. A lot of it will depend on their age; as kids hit the preteen years, they'll start to feel gawky and wonder why they're not tall enough or why they're too tall, why they're not as skinny as someone else, or why they're so clumsy. Help kids see how carefully and uniquely God made each of us. We are his masterpiece!

Think About: What are three great things about the way God made you?

Pray for kids to know how specially God made them.

Point

We are God's masterpiece.

Key Verse

"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

Ephesians 2:10

QUICK TIP

Avoid drawing attention to kids' physical features, which may hit on their own insecurities. For example, avoid having kids line up by height or form groups by hair color.

CHECK IN (5 MINUTES)

- Thank kids for coming and have kids shake hands with a friend using the *back* of their hands.
- Make announcements and collect offering.
- Celebrate any birthdays by having kids sing the words "happy birthday" like opera singers.

ASK: What do you want to tell everyone today? Share your own quick story first, and then let everyone share! For groups of more than six, have kids share in pairs so everyone has a turn to talk.

Celebrate Small

In a small group like yours, finding out what kids have created is a great way to get to know something significant to them!

SET THE STAGE (5 MINUTES)

SAY: Today you'll discover that you're very specially created; you're God's masterpiece!

ASK: What's something *you* made that you're proud of? Share your own quick story first, and then let everyone share!

SAY: Sometimes we make things and wish they turned out better. Sometimes we make things, like what you shared about, that came out amazing! We're so proud of what we made! That's how God feels about you. When God made you, he didn't wish you turned out better. You're his masterpiece! Let's find out more from the Bible.

EXPERIENCE THE BIBLE (10 MINUTES)

SUPPLIES
- Bible

Quick Tip

Showing kids a real Bible and reading part of the story directly from the Bible helps kids know this isn't just a made-up story—it's found in God's Word!

DISCUSS

SAY: In Ephesians 2:10, the Bible says: "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

God was really happy with the way he made humans—so happy that he calls us his masterpiece! Since God likes the way he made you so much, I have a question for you.

ASK: What's one thing you like about the way God made you?

SAY: Let's take things all the way back to the beginning, when God made the first people, and discover why it's true that we are God's masterpiece.

EXPLORE LUNGS AND FINGERPRINTS

Read Genesis 2:4-7.

SAY: Wow! Humans are the only creation God breathed his own breath into. That's amazing! Let's explore the masterpieces we are by taking deep breaths.

Lead kids in taking deep breaths.

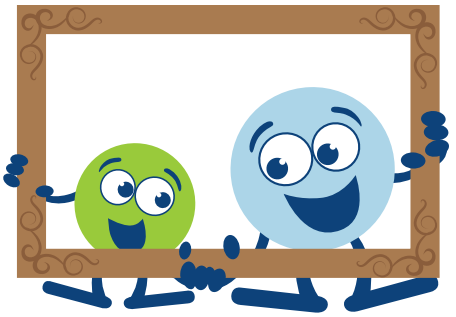

ASK: Show me with your hands—how much air do you think fits in our lungs?

SAY: Thanks for those guesses! And the answer is: Human lungs can hold about 6 liters of air. That's the same as three big soda bottles! Wow!

➡ **We are God's masterpiece.** Every time we breathe, we can think of the special way God made us, breathing his own breath into our lungs.

Let's see what God did next.

✝ Read Genesis 2:18-20.

SAY: God brought all the animals to Adam. But none were as special as Adam! Take a good look at your hands. Notice the creases and wrinkles and fingerprint lines.

ASK: Tell me about what you see.

Repeat by having kids experiment with bending their elbows and knees and feeling their faces.

EXPLORE HEARTBEATS AND RIBS

SAY: The way God made humans was special. None of the animals had all the features you just felt. And there was something else even more special about the way God made people.

Have kids place their hands on their hearts and feel their heartbeats.

SAY: Now, all mammals have heartbeats. That's not unique to people. But what's in our hearts is special. Sometimes we use the word *heart* to mean our souls—our thoughts and feelings. Our hearts—our souls, thoughts, and feelings—reflect God's image. That means we have his ability to love and show kindness, his ability to celebrate and to encourage.

Your heart beats more than 100,000 times a day! It pumps blood to almost every cell in your body. That means every time your heart beats, the image of God and his love is flowing through you. Wow! ➡ **We are God's masterpiece.**

Back to the creation story, none of the animals were a good helper for Adam, so let's find out about Eve!

✝ Read Genesis 2:21-23.

SAY: Wow! God was so impressed with his masterpiece—Adam—that he used Adam's rib to make another human—Eve. Let's feel and try to count our ribs.

Allow time for kids to feel their ribs.

SAY: If you counted right, you counted 12 ribs on each side. Those ribs are pretty special! They move kind of like the handle on a bucket, swinging up when you breathe in. Go ahead, take a breath and feel your ribs move! Pause.

➡ **We are God's masterpiece.** Everything about the way he made us was just the way he wanted us to be.

HANDS-ON DISCOVERY (10 MINUTES)

SUPPLIES
- modeling dough

SCULPT MASTERPIECES

SAY: God made a world full of colorful plants, furry animals, and tall trees. And then he made the best thing of all—people! Let's learn a Bible verse that tells something about the people God made.

Hold up a Bible.

The Bible is one big book that's filled with a bunch of little books. The verse we'll learn comes from a book called Ephesians. Listen!

Ephesians chapter 2, verse 10 says, "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

A *masterpiece* is something that's the finest, best, most spectacular creation. Today, if an artist or builder makes something that *everyone* is talking about, we might use the word *masterpiece*. This verse says we are God's greatest creation. Wow! Let's create as we learn this verse.

- Give each person a handful of modeling dough.
- Say a category such as "Make something that lives in the water."
- Kids have one minute to sculpt anything that lives in the water.
- After one minute, have kids show their "masterpieces" to everyone else. Together, lead kids in saying, "For we are God's masterpiece. He has created us anew in Christ Jesus." Say one phrase at a time so kids can repeat after you.
- Then call out another category. Ideas for categories include
  - flowers
  - things you'd find in the sky
  - things that have fur
  - things people eat
- After several rounds, let kids sculpt people! Say the verse as a whole group as you hold up your human sculptures.

TALK ABOUT IT

ASK: How do our creations compare with God's masterpiece? Why?

ASK: How does it feel to know you're an amazing creation, made by God's hand?

SAY: ➡ We are God's masterpiece. God created us and then made us new through Jesus' forgiveness. And he has special work for us to do!

Quick Tip

If you have mostly preschoolers, use an abridged version of Ephesians 2:10: "For we are God's masterpiece."

PLAY A GAME (10 MINUTES)

DRAW ANIMALS

SAY: Since we're exploring how ➡ we are God's masterpiece, let's see if we can do some masterpiece building ourselves!

- Give each kid five paper plates and a marker.
- You'll call out an animal, and kids will work together to draw that animal. Individual kids will draw just one part of the animal (tail, head, feet, and so on) and then tape the parts they've drawn up on the wall to assemble their animal. Since they'll do five drawings, there are no do-overs if kids don't like their sketches.
- Kids will have just 60 seconds to draw after you've announced the animal.
- Keep this game fast-paced by keeping time and having kids race to tape animals on various walls of the room before time runs out.
- If you've chosen to play music, start it now.
- Call out any four of the following animals (or add to this list!): fox, eagle, hippo, giraffe, python, centipede, elephant. For the fifth animal, call out your own name.
- After playing, as a whole group wander around the room admiring the artwork—especially the portrait of you!

TALK ABOUT IT

SAY: I think you did it: You captured the beauty and majesty of nature. Though your portraits of me leave a *little* to be desired.

ASK: What would have helped you do an even better job of creating artistic masterpieces?

SAY: It's hard to do your best work when you're rushed—and I rushed you.

When God created his masterpieces—that's us—he took his time and did masterful work. He made you on purpose; every piece of who you are is good and given to you for a reason. All of you, from top to bottom, inside out, can point to our awesome God.

SUPPLIES

- paper plates (5 per child)
- washable markers
- painter's tape
- clock or timer
- upbeat music (optional)
- music player (optional)

Quick Tip

Use inexpensive, non-coated paper plates.

Quick Tip

Preschoolers may be confused about drawing just a part of an animal and may draw the whole thing. That's OK! The point is chaos!

Quick Tip

This game easily scales to your group size. Just two kids? Assign one child the front half and one child the back half of an animal. Four or five kids? Let them divvy up which parts they'll each draw. If you have more than five kids, you can break into smaller groups to work together.

ACTIVITY PAGES WITH A PURPOSE (10 MINUTES)

SUPPLIES

- "God Makes People" Activity Page (page 15)
- "God Makes People" Coloring Page (page 16)
- pencils
- crayons

SAY: ➡ **We are God's masterpiece! When God made people, he made us in his image—and that's amazing! Let's make our own masterpieces.**

Distribute the activity pages and pencils. Kids will connect the dots any way they'd like.

ASK: Show what you drew, and tell why you made that as your masterpiece.

ASK: What made this experience different from a normal connect-the-dots puzzle?

SAY: If I gave you a numbered connect-the-dots puzzle, you'd all end up with the same picture. And you wouldn't have put your own thoughts and personality into it! The way you connected the dots shows something about your creativity. And the way God made us shows us an image of who he is! ➡ **We are God's masterpiece.**

Quick Tip

For younger kids, provide the Coloring Page and crayons as an alternative.

PRAY TOGETHER (5 MINUTES)

Celebrate Small

Your small size is a huge advantage in being able to pass on personal blessings that make kids feel seen and loved.

Have kids sit with you.

Pass this blessing on to a child: [Name of child], ➡ **you are God's masterpiece**.

The child who received the blessing will then pass the same message on to another child, and so on until it gets back to you. You may need to say it with younger kids to coach them in remembering the words.

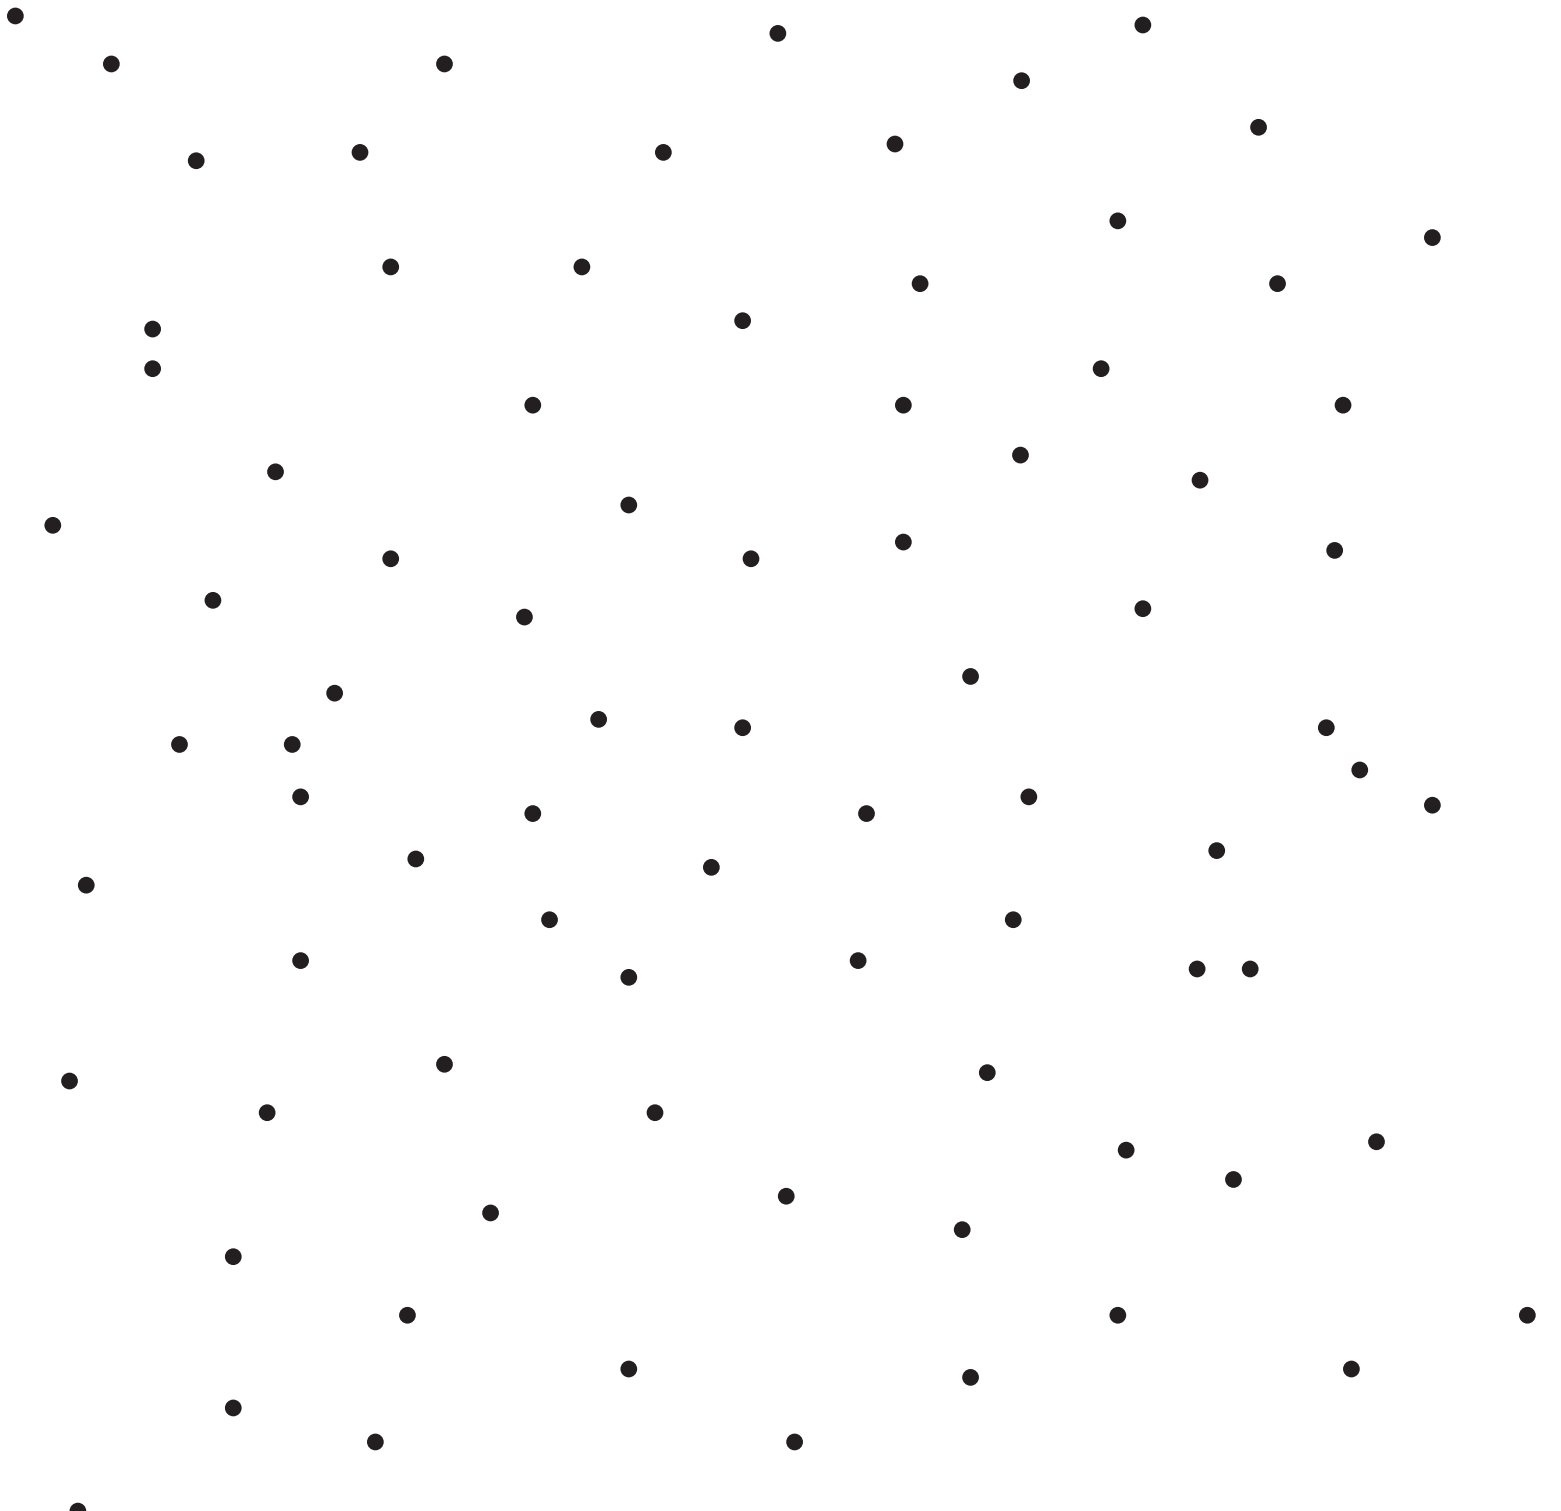

PRAY: God, thank you for making everyone in this room. I can see how carefully and specially you made each masterpiece! In Jesus' name, amen.

God Makes People

Genesis 2:4-7, 18-23; Ephesians 2:10: After God made everything else in the world, he made people. He formed man from the dust of the ground and breathed life into him! He made woman from the man's rib. And he made both men and women in his own image! *We are God's masterpiece!*

Permission to photocopy this resource from Group's Two or More granted for local church use. Copyright © Group Publishing.

BONUS OPTION **EXPLORE MORE** (10 MINUTES)

SET IT UP

SAY: Today we're learning that we are God's masterpiece. A masterpiece isn't just some doodle you drew in the margins of your math notebook. A masterpiece is a carefully planned, perfectly crafted work of art.

Maybe you've never thought of yourself that way. Maybe you don't feel very perfectly crafted. Maybe you sometimes feel like God made some mistakes when he made you.

You might wonder, *what's so great about me*? Let's explore what the Bible says.

DIG DEEPER

Distribute a stack of five sticky notes and a pen to each person.

Read 1 John 4:9: "God showed how much he loved us by sending his one and only Son into the world so that we might have eternal life through him."

Have kids draw a heart on one sticky note.

Read 1 John 1:9: "But if we confess our sins to him, he is faithful and just to forgive us our sins and to cleanse us from all wickedness."

Have kids draw a cross on another sticky note.

Read 1 John 3:1: "See how very much our Father loves us, for he calls us his children, and that is what we are!"

Have kids draw a stick figure child on another sticky note.

Read Matthew 10:31: "So don't be afraid; you are more valuable to God than a whole flock of sparrows."

Have kids draw money or a dollar sign on the fourth sticky note.

Read Philippians 4:13: "For I can do everything through Christ, who gives me strength."

Have kids draw a lightning bolt on the final sticky note.

SAY: Now let's put labels on each other to remember what we learned. Find a partner and put a sticky note on your partner for each thing we just learned. I'll guide you through it.

If needed, partner with a child yourself. Then read the following affirmations, pausing for kids to put the corresponding labels on their partners after each one.

SUPPLIES

- sticky notes
- pens

Quick Tip

If your church prints nametags on labels, use some blank ones instead of sticky notes. Kids will relate even more to those labels showing who they are.

Quick Tip

You might want to use larger sticky notes (such as 4x6 inches) to make it easier for preschoolers to draw.

- **You are loved!** (heart)
- **You are forgiven!** (cross)
- **You are a child of God!** (stick figure)
- **You are valuable!** (money)
- **You are powerful with God!** (lightning bolt)

ASK: How do those labels make you feel?

ASK: Which labels are the most special, and why?

SAY: ➡ You are God's masterpiece. You are loved, you are valuable, and you are a child of God!

BONUS OPTION SING TOGETHER (10 MINUTES)

SUPPLIES
- worship music
- media player

EASY PREP
- Download songs from the Digital Download Center.

Sing worship songs with your kids.

Welcome

WELCOME TO TWO OR MORE

The children's curriculum specially designed for small churches!

Small Churches Rock!

We see you, small churches. And we love you!

For too long, you've had to adapt curriculums that are geared for big groups of kids, or that felt like big productions—when you have totally different needs and strengths.

And that's why we created Two or More—to help you shine!

With Two or More, you can rest assured that every lesson is designed just for you. Every lesson will...

- be simply laid out and easy to follow—easy to glance at quickly to maintain eye contact with kids
- be geared for smaller groups of kids
- help you capitalize on your greatest strength: your ability to foster relationships

...all while helping kids know Jesus and build lifelong faith!

Here's a fact: one of the greatest emotional needs kids have is to feel *seen*, *known*, and *loved*. To have that sense of "I belong here" and "people would notice if I weren't here."

Those needs can be hard for big churches to fill. It takes a lot of intentionality for big churches to create small groups and make every child feel like he or she has a place.

But for you? That's your greatest strength! When you have only a few kids, you can't help but connect with them! Every child who comes into your church is seen, known, and loved.

Maybe you've thought that unless you grow in number, your efforts are of limited value—like teaching only a few kids isn't really making a big impact. But consider this: Jesus loved small. Sure, he taught big crowds. But he really invested his time in a relationship with 12 followers. And even among them, he had three he mentored even more closely.

When a boy brought Jesus a small offering of fish and bread, Jesus made it work. When Jesus saw a mustard seed, he said that's what faith should be like. When one sheep went missing, he noticed—and cared a lot.

Jesus can do a lot with small.

HOW DOES IT WORK?

You may be wondering...will this really be age-appropriate for my preschoolers?

Yes!

Two or More ensures that every lesson is simple and applicable for preschoolers.

Here are the ingredients of our secret sauce to make lessons meaningful for preschoolers:

- **Simplicity.** Kids learn one easy-to-remember Bible point each week.
- **Discussion**. We help preschoolers process discoveries and share their own stories through simple, preschool-friendly questions.
- **Application.** We make sure preschoolers know *why* the Bible story matters to them with application that makes sense in a 3-year old's world.
- **Movement.** Because kids are moving, they're engaged, and you'll keep their short attention spans.
- **YOU.** Because you're there, loving every one of them, kids will walk away feeling seen, known, and loved.

Plus, you'll find that while each quarter of Two or More includes bite-size themes, you'll work through the Bible, both Old and New Testament, every year! This approach helps you give a strategic, thoughtful faith foundation to kids in your ministry.

We've curated the most small-church-friendly parts of Dig In curriculum, adapted it just for you, and designed it in a glanceable layout that you're sure to love.

TWO OR MORE LESSONS

So what can you expect as you dive into Two or More?

Check In

This section was designed to really hone in on the small church's ability to see and know kids. Each week, there's a general question about how kids are doing—a chance for them to share openly. And because you have only a few kids, there's time for *everyone* to share.

Set the Stage
To set the stage, you'll ask a more fun, imaginative question that helps kids gear up for the day's Bible point or story.

Experience the Bible
Kids won't sit passively and listen to you tell a Bible story. The Bible comes to life in an experiential way! With simple, effective experiences, kids get to unpack what happened in the Bible...and why that matters today.

Hands-On Discovery
We surveyed small churches and found that most of you love to do crafts or science experiments. In Hands-On Discovery, kids get their hands busy and make exciting crafts or see how science can point us to God. But these crafts and object lessons aren't merely busy work—they're intentional experiences geared toward discovery and life application.

Play a Game
Yes, you can play games! Even with mixed ages. Even with only two kids. You'll never see a game in Two or More that requires you to break into teams...because we know your small group may *be* a team! But we also know that kids love to play *with you*. So no matter how many kids you have, join in the fun to help build relationships! Plus, every game wraps up with questions that help kids make a connection to the Bible point.

Color and Create
Coloring sheets provide a visual preschoolers can enjoy and take home. These coloring sheets also include the Bible passage and a summary of what they learned, so parents can get a quick glance at what their kids are learning. Plus, some coloring sheets involve adding extra fun elements!

Pray Together
Of course, prayer is important! And this section models that by helping kids get involved in praying rather than simply hearing their teacher pray. With your smaller group, it's a great chance to give *every child* a turn to pray.

BONUS: Explore More
We know that some churches are pressed for time and may not even be able to use all the experiences above! But we also know that sometimes you have more than an hour to teach, and we want to make sure every moment counts. Your time with kids is limited and precious, so don't rely on disconnected games and activities to "fill time." Instead, use this intentional experience that furthers kids' exploration of the Bible point.

BONUS: Sing Together
We know that some small churches have kids in "big church" for worship and others don't. So if you need to incorporate worship music in your lesson, we've got you covered with all-included downloadable music videos and audio tracks in the Digital Download Center. Need a DVD? The Best of Dig In DVD, available at group.com, has all the same great songs you'll find online! If you do use media, this is a great opportunity to involve teenagers as leaders—most teens know a lot about technology!

Don't feel like you have to do *all* the options. With Two or More's one-point learning, you're guaranteed to cover the point of the lesson, no matter how far you get!

God Makes People

Genesis 2:4-7, 18-23; Ephesians 2:10

Lesson 1

Teacher Background

What Happens: God creates people in his image. As God's most treasured creation, people are in charge of the garden, and God tasks Adam with naming the animals he created. God creates Adam first and then creates a helper just for him: Eve.

Why It Matters: Kids may range from very self-confident to very insecure. Some preschoolers are bold and make new friends quickly, while others are shy and prefer solo play. Help kids see how carefully and uniquely God made each of us. We are his masterpiece!

Think About: What are three great things about the way God made you?

Pray for kids to know how specially God made them.

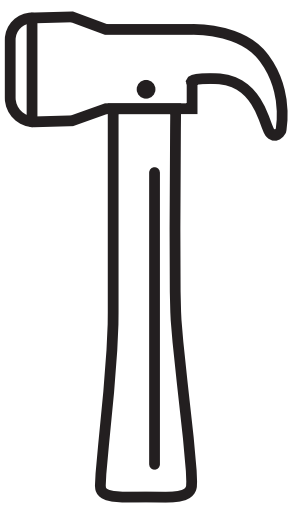

Point:
We are God's masterpiece.

Key Verse:
"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

Ephesians 2:10

QUICK TIP

Avoid drawing attention to kids' physical features, which may hit on their own insecurities. For example, avoid having kids line up by height or form groups by hair color.

CHECK IN (5 MINUTES)

- Thank kids for coming and have kids shake hands with a friend using the back of their hands.
- Make announcements and collect offering.
- Celebrate any birthdays by having preschoolers sing a birthday song off-key.

ASK: What do you want to tell everyone today? Share your own quick story first, and then let everyone share! For groups of more than six, have kids share in pairs so everyone has a turn to talk.

SET THE STAGE (5 MINUTES)

SAY: Today we'll learn ➡ we are God's masterpiece. A masterpiece is a wonderful thing someone made, like a beautiful painting or building. Let's begin by talking about wonderful things we've made.

ASK: What's the coolest thing *you* ever made? Share your own quick answer first, and then let everyone share!

SAY: Those sound like masterpieces! And God feels that way about you—➡ you are God's masterpiece! He made you, and he thinks you're wonderful. Let's learn more about that.

EXPERIENCE THE BIBLE (10 MINUTES)

SUPPLIES

- Bible
- 11x17 sheet of white paper
- tissue paper (1 green, 1 blue, 1 yellow, 1 red, 1 brown)
- scissors (for adult leader)

EASY PREP

- Make this creation scene. Pile 1 sheet of tissue paper per color top to bottom, as follows: green, blue, yellow, red, and brown. Cut a slit in the center of a sheet of white 11x17 paper, and place the slit over the pile of tissue paper. Loosen the slit so you can pull 1 sheet of tissue paper through the slit at a time.

EXPLORE PLANTS AND TREES

Gather kids around the creation scene you made.

SAY: We're exploring that ➡ we are God's masterpiece. Let's do something fun to help us understand what that means.

Show the Bible.

SAY: The Bible tells us how God made us and the whole world. It says he made the world from nothing. Point out the sheet of white paper. **It was kind of like this plain paper.**

Pull the green tissue paper through the slit.

SAY: God made the land and plants appear when there were no trees or land or plants at all.

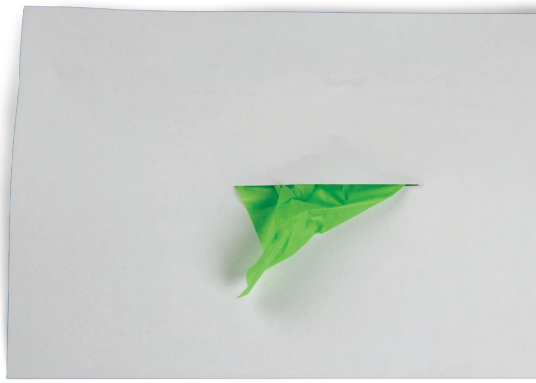

Form one end of the tissue paper into a tree trunk by twisting it, and then create a treetop by spreading out and shaping the other end of the tissue paper.

SAY: Let's make this treetop sway in the wind.

Let kids pass around the green tissue paper tree, swaying it from side to side. When the tree makes it back to you, set it aside.

EXPLORE WATER

Pull the blue tissue paper from the slit.

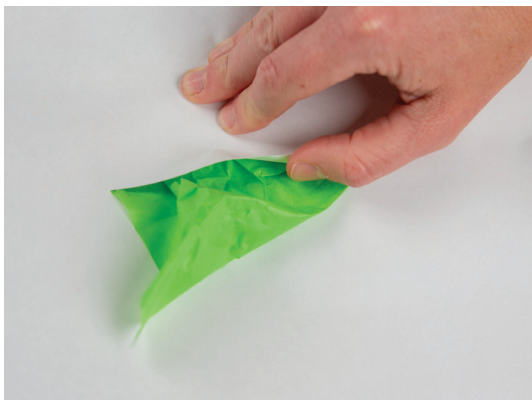

SAY: God made the water in the ocean and rivers, and even the water that falls from the sky. He made water appear when there was no water at all.

Hold the tissue paper on one end and wave it up and down like a wave, and then have kids pass it around and each take a quick turn waving it.

EXPLORE THE SUN, MOON, AND STARS

Pull the yellow tissue paper through the slit.

SAY: God made the sun and moon and the whole sky from nothing!

Create a sun by balling up the tissue paper. Allow kids to pass it around, and encourage them to pretend it's hot like the sun by passing it quickly.

EXPLORE BIRDS AND ANIMALS

Pull the red tissue paper through the slit.

SAY: God made the birds in the sky, too. Birds are all different colors, like this red cardinal bird.

Invite kids to make tweet noises. Fold the red tissue paper in half and hold it at the crease so it has "wings." Flap the wings, then let preschoolers do the same.

Pull the brown tissue paper through the slit.

SAY: God made the animals to live on the land and fish to live in the sea.

Hold the brown tissue paper in front of your face and make a bear noise, then have preschoolers do the same.

EXPLORE PEOPLE

SAY: God loved all of what he made, but there was one he called his masterpiece.

Look inside the slit and notice there's nothing else in there. Ask kids what they think God's final creation could be.

SAY: I don't need tissue paper to show God's last creation because our room is already full of God's masterpiece! ➡ We are God's masterpiece. That means we are his favorite part of creation.

Lead kids in jumping, wiggling, and running in place.

SAY: People are so special and important. He made us beautifully. A masterpiece is an amazing work, and that's what we are to God—something wonderful that he made! God made you exactly how he wants you, and he did it on purpose. When he looks at you, he says you are a wonderful masterpiece!

HANDS-ON DISCOVERY (10 MINUTES)

SUPPLIES
- colored card stock
- glue sticks
- crayons or markers
- fun stickers

EASY PREP
- Make a sample craft to show kids.
- Cut the card stock into 2x8½-inch strips.

SAY: Sometimes when people paint a masterpiece or take a beautiful photo, they like to put their artwork in a frame. God is proud of how he created us. Since ➥ we are his masterpiece, let's make frames for ourselves!

- Give each preschooler four different colors of card stock strips. Help kids use glue sticks to glue the ends of the strips together to form a frame.
- Kids can draw pictures on their frames.
- Let kids add fun stickers to both sides to finish off their masterpieces.
- After kids finish, encourage them to hold their frames up to their faces for their friends to see.

SAY: You can use these frames to take pictures of God's most amazing creation—you! ➥ You are his masterpiece.

Quick Tip

As a bonus, with parent permission, take photos of kids in their frames and send them out to parents.

PLAY A GAME (10 MINUTES)

TALK ABOUT OUR BODIES

SAY: God made every part of us.

Share your favorite part of how God made you. You may love the color of your eyes, your sense of humor, or the shape of your toes. (Feel free to make it silly.)

ASK: What's your favorite part of how God made you? Kids may say they like their hair, their smile, or the way they sing.

SAY: God made each one of you special. ➡ You are his masterpiece!

USE OUR BODIES IN A SONG

SAY: Let's sing a fun song about the way God made us.

Sing the following song to the tune of "Father Abraham":

God made people.

He made us all.

God made every part of us.

➡ I'm his masterpiece,

and so are you.

So let's all praise the Lord

with our right arm. *(move arm up and down for the remainder of the song)*

Each time you sing the song, list each of the previous movements and add one of the following movements as well:

- left arm (move both arms up and down for the remainder of the song)
- right foot (lift the right leg up and down)
- left foot (march for the remainder of the song)
- head (nod head)
- tongue (encourage preschoolers to sing the song one last time with their tongues out)

Repeat the song from the beginning as time allows, or you could add additional movements before the tongue if you'd like.

SAY: God made our arms and our feet and even our tongues. He made us exactly the way he wanted us to be, and he loves us just the way we are.

Celebrate Small

Because of your small group, you can find out what *all* of your kids like best about themselves. Use those attributes to continue to build kids up!

COLOR AND CREATE (10 MINUTES)

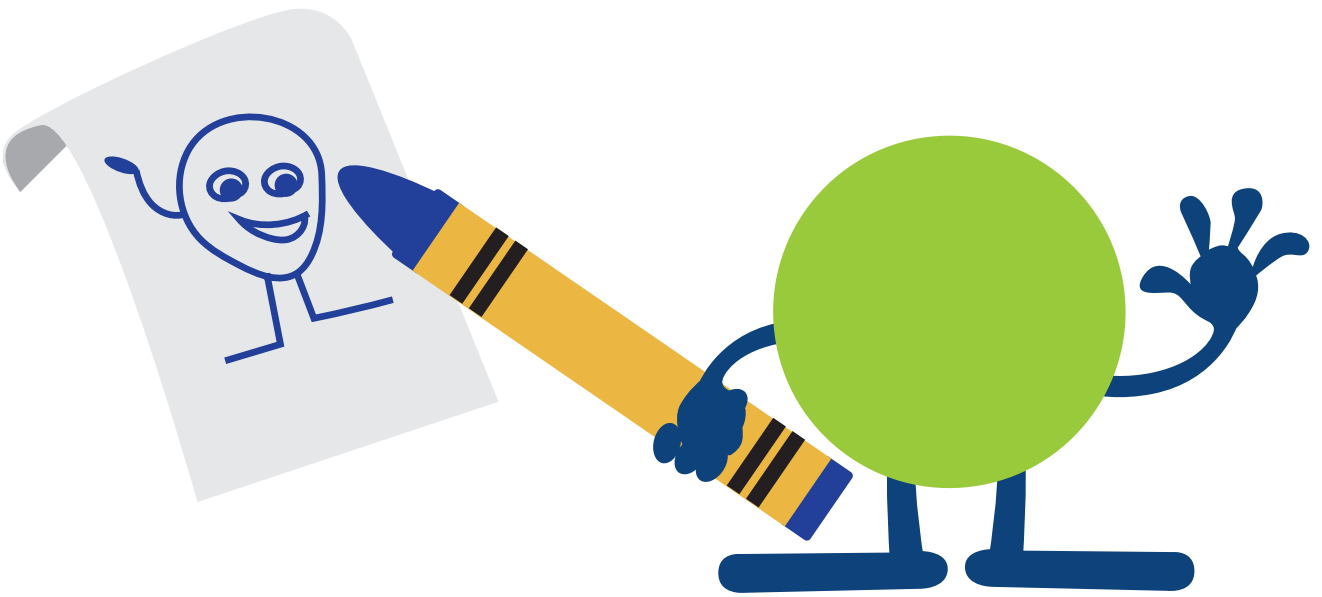

SUPPLIES

- "God Makes People" Coloring Page (page 15)
- crayons

Distribute the coloring pages and crayons.

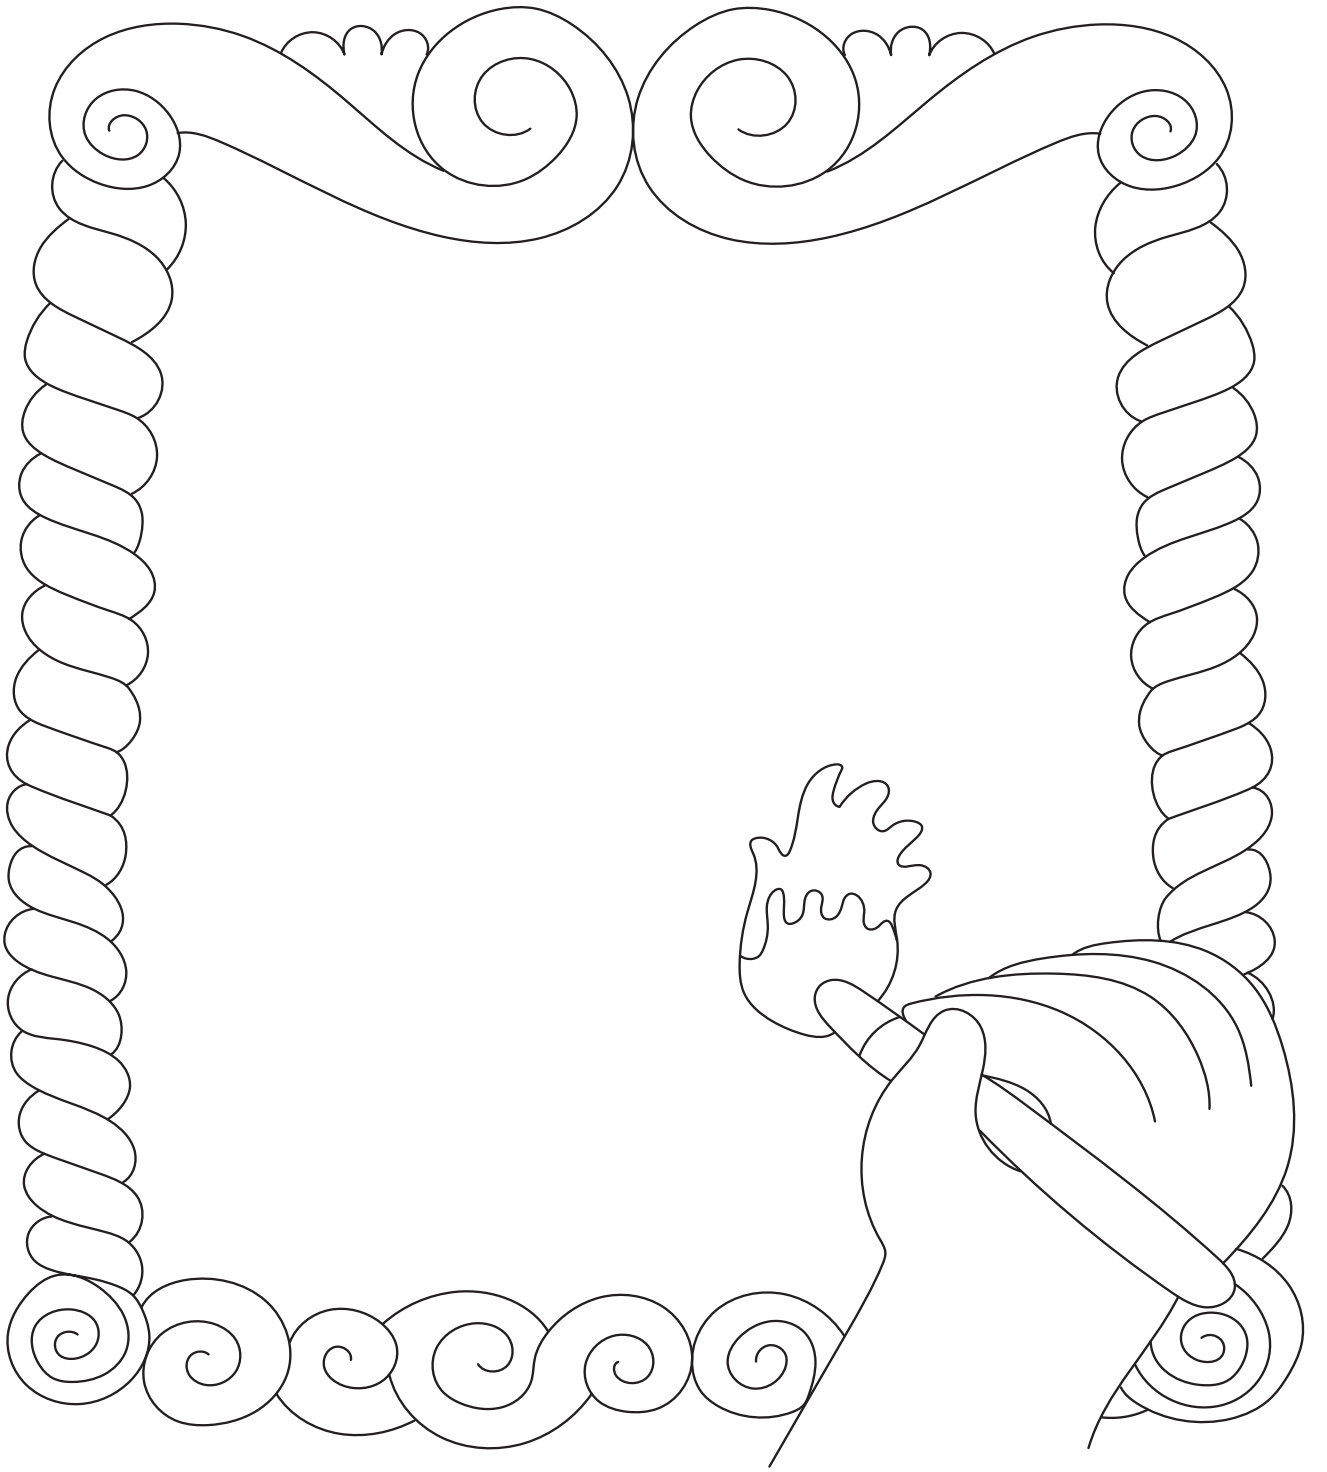

SAY: ➡ We are God's masterpiece. That means God made us—and he's really proud of how we turned out! God made the first two people, and then he kept making more. Sometimes people call paintings a masterpiece, so let's draw ourselves as if God is painting us.

Allow time for kids to draw self-portraits.

God Makes People

Coloring Page

Genesis 2:4-7, 18-23; Ephesians 2:10: After God made everything else in the world, he made people. He formed man from the dust of the ground and breathed life into him! He made woman from the man's rib. And he made both men and women in his own image! *We are God's masterpiece!*

PRAY TOGETHER (5 MINUTES)

SING A SONG

SAY: Today we learned that ➥ we are God's masterpiece. God made every part of us exactly how he wants us. We are wonderfully made—our heads, shoulders, knees, and toes!

Lead kids in singing "Head, Shoulders, Knees, and Toes" with the motions in this way:

God, thank you for my *(prayer hands)*
Head, shoulders, knees, and toes! *(touch each body part as it is said)*
Knees and toes! *(touch knees and then toes)*
Knees and toes! *(touch knees and then toes)*
Eyes, and ears, and mouth, and nose. *(touch each body part as it is said)*
God, thank you for my *(prayer hands)*
Head, shoulders, knees, and toes! *(touch each body part as it is said)*

Repeat as time allows.

THANK GOD FOR OUR INSIDE

SAY: God made our bodies, and he made our minds and hearts. ➥ We are God's masterpiece. Even the things we think and feel are important to God. Let's thank God for making our inside—our hearts and minds, too.

Lead kids in a brief prayer and then close.

SAY: I'm so happy all of you masterpieces were here today to learn about God. I hope to see you next week, too!

BONUS OPTION **EXPLORE MORE** (10 MINUTES)

TALK ABOUT CREATIONS

SAY: Today we heard about wonderful things God made from nothing. He made trees and oceans and animals. Then God reached down and carefully used his hands to shape his most amazing creation—his masterpiece, people!

Give each child a handful of modeling dough on a paper plate.

SAY: We can use our hands to shape this dough into all kinds of fun things.

Share about something you've made with modeling dough or any other sculpting supply.

ASK: Tell about something you like to make with dough like this. Kids may say they like to make a face, a shape with cookie cutters, or a snake.

MAKE A MASTERPIECE

SAY: Let's use this dough to make little people. First, we'll make a head.

Show kids how to take a small piece of dough and roll it into a ball.

SAY: God made your head. He gave you a face with eyes and a nose. God made your face special. No one else's face is just the same. ➥ You are God's masterpiece!

Have kids take another small piece of dough and set it aside. Lead them to roll the remaining dough into another ball and then flatten it a bit on the plate to make a body. Encourage kids to put the dough head on the top of the body.

SAY: We made a body for our little person. God made our bodies. He made them just the way he wanted them to be. ➥ We are God's masterpiece.

Show kids how to divide the remaining piece of dough into four smaller pieces. Then lead kids to roll each piece on a hard surface to make long, skinny pieces for arms and legs. Help kids attach the arms and legs to their people on the plates.

SAY: God gave us arms and legs, just like we gave our little people arms and legs. God carefully put each part of your body together in an amazing way. Listen to what the Bible says.

Read Psalm 139:13-14.

SAY: God didn't just make the parts we see on the outside. God made all the parts of who you are—the way you look on the outside and how you think and feel on the inside. And God loves the way he made you. ➥ You are his masterpiece!

In fact, God loves you *so* much that he sent his Son, Jesus, to die for you! And Jesus came back to life. The fact that God sent Jesus shows us just how much God loves and values us!

SUPPLIES
