Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's:

Relational	Experiential	Applicable	Lifelong
Person-to-person interaction enhances spiritual growth and builds Christian friendships.	What we experience through action and discussion sticks with us up to 9 times longer than what we simply hear or read.	The aim of ministry is to equip people to be both hearers and doers of God's Word.	Experiences transform the heart, moving faith beyond the walls of church and into everyday life for years to come.

Welcome

WELCOME TO TWO OR MORE

The children's curriculum specially designed for small churches!

Small Churches Rock!

We see you, small churches. And we love you!

For too long, you've had to adapt curriculums that are geared for big groups of kids or that felt like big productions—when you have totally different needs and strengths.

And that's why we created Two or More—to help you shine!

With Two or More, you can rest assured that every lesson is designed just for you. Every lesson will...

- be simply laid out and easy to follow—easy to glance at quickly to maintain eye contact with kids
- be geared for smaller, mixed-age groups of kids
- help you capitalize on your greatest strength: your ability to foster relationships

...all while helping kids know Jesus and build lifelong faith!

Here's a fact: One of the greatest emotional needs kids have is to feel *seen*, *known*, and *loved*. To have that sense of “I belong here” and “people would notice if I weren't here.”

Those needs can be hard for big churches to fill. It takes a lot of intentionality for big churches to create small groups and make every child feel like he or she has a place.

But for you? That's your greatest strength! When you have only a few kids, you can't help but connect with them! Every child who comes into your church is seen, known, and loved.

Maybe you've thought that unless you grow in number, your efforts are of limited value—like teaching only a few kids isn't really making a big impact. But consider this: Jesus loved small. Sure, he taught big crowds. But he really invested his time in a relationship with 12 followers. And even among them, he had three he mentored even more closely.

When a boy brought Jesus a small offering of fish and bread, Jesus made it work. When Jesus saw a mustard seed, he said *that's* what faith should be like. When one sheep went missing, he noticed—and cared a lot.

Jesus can do a lot with small.

HOW DOES IT WORK?

You may be wondering...can I really teach effectively when I have 3-year-olds and 12-year-olds in the same class?

Yes!

Two or More ensures that every lesson will be impactful to a child of any age.

Here are the ingredients of our secret sauce to ensure kids across age ranges are impacted:

- **Mentoring.** Older kids help younger kids, giving older kids a leadership role and responsibility.
- **Adaptability.** We've provided tips if you need to skew for a mostly younger or mostly older group.
- **Movement.** Because kids are moving, they're engaged—and kids of all ages need to move.
- **Authenticity.** You'll find thought-provoking, personal questions that don't ask kids to recite facts or knowledge.
- **Simplicity.** Kids learn *one* easy-to-remember Bible point each week.
- **YOU.** Because you're there, loving every one of them, kids will walk away feeling seen, known, and loved.

Plus, you'll find that while each quarter of Two or More includes bite-size themes, you'll work through the Bible, both Old and New Testament, every year! This approach helps you give a strategic, thoughtful faith foundation to kids in your ministry.

We've curated the most small-church-friendly parts of Dig In curriculum, adapted it just for you, and designed it in a glanceable layout that you're sure to love.

TWO OR MORE LESSONS

So, what can you expect as you dive into Two or More?

Check In

This section was designed to really hone in on the small church's ability to see and know kids. Each week, there's a general question about how kids are doing—a chance for them to share openly. And because you only have a few kids, there's time for *everyone* to share.

Set the Stage

To set the stage, you'll ask a more fun, imaginative question that helps kids gear up for the day's Bible point or story.

Experience the Bible

Kids won't sit passively and listen to you tell a Bible story. The Bible comes to life in an experiential way! With simple, effective experiences, kids get to unpack what happened in the Bible...and why that matters today.

Hands-On Discovery

We surveyed small churches and found that most of you *love* to do crafts or science experiments. In Hands-On Discovery, kids get their hands busy and make exciting crafts or see how science can point us to God. But these crafts and object lessons aren't merely busy work—they're intentional experiences geared toward discovery and life application.

Play a Game

Yes, you can play games! Even with mixed ages. Even with only two kids. You'll never see a game in Two or More that requires you to break into teams...because we know your small group may *be* a team! But we also know that kids love to play *with you*. So, no matter how many kids you have, join in the fun to help build relationships! Plus, every game wraps up with questions that help kids make a connection to the Bible point.

Activity Pages With a Purpose

Coloring sheets and puzzles are nothing new in children's ministry. But *these* puzzles are! That's because these aren't time-fillers to set out and keep kids quiet. Each puzzle is an experience that...you guessed it...leads to discovery. And because you have mixed ages, you'll find a puzzle option and a coloring option that appeals to whatever skill level kids have.

Pray Together

Of course, prayer is important! And this section models that by helping kids get involved in praying, rather than simply hearing their teacher pray. With your smaller group, it's a great chance to give *every child* a turn to pray.

BONUS: Explore More

We know that some churches are pressed for time, and may not even be able to use all the experiences above! But we also know that sometimes, you have more than an hour to teach, and we want to make sure every moment counts. Your time with kids is limited and precious, so don't rely on disconnected games and activities to "fill time." Instead, use this intentional experience that furthers kids' exploration of the Bible point.

BONUS: Sing Together

We know that some small churches have kids in "big church" for worship, and others don't. So if you need to incorporate worship music in your lesson, we've got you covered with all-included downloadable music videos and audio tracks in the Digital Download Center. Need a DVD? The Best of Dig In DVD, available at group.com, has all the same great songs you'll find online!

Don't feel like you have to do *all* the options. With Two or More's one-point learning, you're guaranteed to cover the point of the lesson, no matter how far you get!

God Speaks to Samuel

1 Samuel 3

Lesson

1

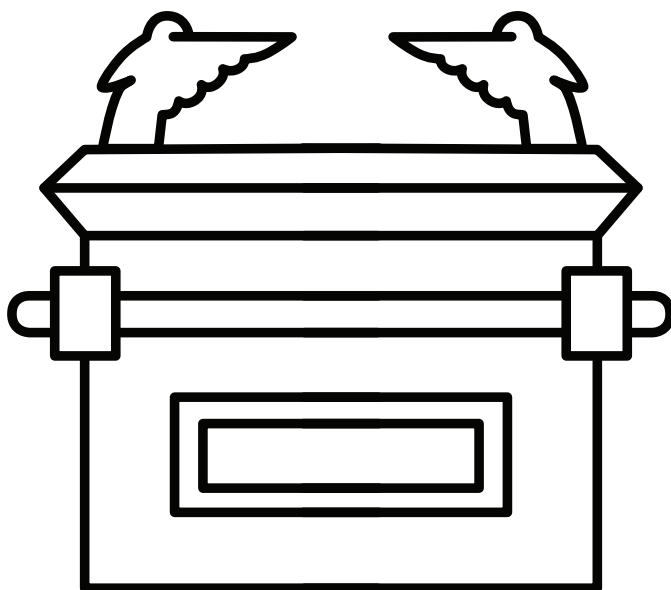

Teacher Background

What Happens: Samuel is a young boy who lives in the Tabernacle. One night, he wakes up to someone calling his name. He thinks it's Eli, the priest, but it's not. The third time Samuel hears his name, Eli realizes it's God. Samuel listens to God's message and passes it along. God speaks, so we listen for him.

Why It Matters: Kids have busier schedules than ever. Without a break in their activities, it can be hard for kids to have room to listen for God. Use this lesson to encourage kids to pause for at least a few minutes each day, allowing space for God to speak.

Think About: Have you ever felt like God was speaking to you? How did you respond?

Pray that your kids will hear God speaking to them.

Point

God speaks.

Key Verse

"So don't be afraid; you are more valuable to God than a whole flock of sparrows."

Matthew 10:31

QUICK TIP

Two or More has built-in discussion that gives kids a chance to speak *and* listen! With a smaller group, there should be time for *everyone* to share. What a great chance to build community! Listen well and without judgment, and don't pressure kids to share if they don't feel comfortable.

CHECK IN (5 MINUTES)

- Thank kids for coming and have kids double high-five a friend.
- Make announcements and collect offering.
- Celebrate any birthdays by having kids say, “Three cheers for our birthday friends! Hip, hip, hooray! Hip, hip, hooray! Hip, hip, hooray! It’s your birthday!”

ASK: What do you want to tell everyone today? Share your own quick story first, and then let everyone share! For groups of more than six, have kids share in pairs so everyone has a turn to talk.

SET THE STAGE (5 MINUTES)

SAY: Today we’re going to learn that ➡ **God speaks**, so we listen for him! We hear noises all the time without even thinking about it. Let’s think about sounds we’d enjoy hearing.

ASK: Tell about a sound you’d want to play on a sound machine to help you sleep. Share your own quick story first, and then let everyone share!

SAY: We talked about sounds that would help us sleep. In the Bible, a boy named Samuel heard a sound while he was already sleeping. It was God!

EXPERIENCE THE BIBLE (10 MINUTES)

SUPPLIES

- Bible

DISCUSS

ASK: Since our story is about Samuel sleeping, I’d like you to tell about what color your bedroom is. Share your own quick answer first, and then let everyone share!

SAY: We don’t know what color Samuel’s bedroom was in the Bible. We do know he was 12 years old and he lived in the Tabernacle—a special tent that was God’s house. It was kind of like a church today! Samuel helped the church leader there, named Eli. And we know what happened one night when Samuel was sleeping!

WHISPER AND LISTEN

Open your Bible to 1 Samuel 3, and show kids the words. Read 1 Samuel 3:3-4.

SAY: Samuel thought Eli was calling him. But Eli told Samuel to go back to bed.

Two more times, Samuel heard his name. Samuel! Samuel! Finally, Eli realized God was trying to speak to Samuel. ➡ **God speaks**. And Samuel listened to God’s message. Let’s pause our story for a minute. I want to see how well *you* listen to a message.

Have kids sit in a small circle with you.

SAY: We're going to play a game that requires careful listening! First, you'll have to listen for your name. If you hear your name, go stand across the room from me.

- Whisper a child's name. If you have just one or two kids, you might whisper the name of a child who's not there just to keep kids listening.
- When a child has been called and is standing across the room, whisper to the child a command, such as "Touch your nose while spinning in a circle."
- The kids who are sitting closest to you should be able to hear the message, but the child across the room may struggle.
- Everyone will act out what they heard at the same time. Kids may be doing different things if it was difficult for the child across the room to hear you.
- Repeat several times with new commands.
- End with this command, "Say, 'Eli, your sons are in big trouble!'" Make sure kids hear the correct message in the end.

SAY: That last one was God's message to Samuel. Eli's sons had been doing bad things, and God wanted Samuel to tell Eli that they were in trouble. That's not a very fun message to share!

ASK: How would you feel if you had to tell Eli that God said his sons were in trouble? Let kids call out their answers.

SAY: It wasn't a happy message, but Samuel listened and obeyed. And do you know what? God kept on speaking to Samuel when he was an adult! Samuel became a prophet—someone who hears from God and passes on his messages.

Our messages got a little confused, but Samuel had no trouble hearing God's messages. ➡ **God speaks**, and Samuel learned to listen to God and pass on his messages just as God said them. And God didn't speak only to Samuel. ➡ **God speaks** to us today, too! So we can listen for him.

QUICK TIP

If you were surprised by a bigger group today, tweak this game and play it like Telephone so kids pass on the message and it gets distorted.

**SUPPLIES**

- cereal or tissue boxes (1 per child)
- rubber bands (1 per child)
- markers (2 per child)

**WRAP A RUBBER BAND AROUND A BOX**

SAY: It's fun to listen to God, and it's also fun to listen to music! Let's make instruments to play.

- Give each child a box, a rubber band, and two markers.
- Show kids how to wrap the rubber band around the perimeter of the box. It should stretch tightly around the box. Older kids can guide younger kids in setting up their boxes and rubber bands.
- Turn the box on its side so a long side is facing up.

PLACE MARKERS UNDER THE RUBBER BAND

- Place one marker under the rubber band at the far left side of the box.
- Place the other marker under the rubber band, too.
- Slide the second marker along the side of the box as you pluck the rubber band with your finger between the two markers.
- Have kids listen carefully to the sound the rubber band makes as it's plucked when the marker is at different places.

TALK ABOUT IT

SAY: The rubber band acts like a guitar string, and the moving marker causes the rubber band to make different pitches along the box. It sounded different each time we moved the marker. ➡ **God speaks**, but he doesn't always sound the same.

ASK: How does God's voice change like the pitches changed on the box?

SAY: Sometimes God speaks quietly. In 1 Kings 19, God spoke to Elijah in a gentle whisper. And in Psalm 68, David says God's mighty voice thunders from the sky. The prophet Zephaniah told God's people that God will rejoice over them with singing.

ASK: What do his different "voices" tell us about God?

SAY: ➡ **God speaks**, so we listen for him. And his voice reveals his closeness, his power, and his love for us.

**CELEBRATE SMALL**

One of the best parts of mixed-age groups is giving older kids the chance to take leadership roles and help young kids. You're raising leaders!

THROW PAPER WADS AND LISTEN FOR A CHANGE IN DIRECTIONS

SAY: Earlier we got to hear about Samuel's experience with hearing from God. Poor Samuel was confused at first when a voice kept waking him up, but he finally discovered it was *God's* voice!

Like it was for Samuel, it can be hard for us to know if we're hearing God, even if we're trying to listen for him. This game will show you what I mean.

- Split kids between the two sides of the room. Have only one child? No problem! Leaders play too!
- Mix up all the colors of paper wads, and place an equal amount in a pile on the floor on each side.
- You'll call out a color, and each side's goal will be to get rid of the paper wads of that color from their side. Kids will quickly throw the paper wads to the other side—even the new paper wads that are thrown onto their side.
- After you've called out the first color and kids are throwing paper wads, play the music in the background for added noise.
- Allow a minute or so, and then say a different color in a normal voice.
- Continue to switch the color, altering how loud you say it. Sometimes kids may miss the change, and that's OK.
- When time's up, turn off the music to signal the end of the game.

TALK ABOUT IT

ASK: What made it hard to hear me in the game?

ASK: What are busy, noisy things in your life that might make it hard to hear what God is saying to you? Share an example of your own, such as staying busy with your job, housework, and paying bills. Then have kids share in pairs.

SAY: There's a lot going on in our lives, and that can keep us distracted when ➡ **God speaks.**

Sometimes God will get our attention through other people who have heard him—kind of like in our game when someone might have heard me say a new color and you didn't. You might've seen them throwing the new color, so you switched, too.

God can get our attention in a lot of ways, but we can also choose to take a timeout each day from all the noise and listen for God. Let's do that by looking for words from the Bible.

SUPPLIES

- sheets of construction paper in 4 different colors (10 of each, plus 1-2 sheets per color per child)
- painter's tape
- upbeat music
- music player

EASY PREP

- Ball up the sheets of paper.
- Use tape lines to split your room in half.

ACTIVITY PAGES WITH A PURPOSE (10 MINUTES)

SUPPLIES

- “God Speaks to Samuel” Activity Page (1 per child) (page 15)
- “God Speaks to Samuel” Coloring Page (1 per younger child) (page 16)
- pencils
- crayons

QUICK TIP

For younger kids, provide the Coloring Page and crayons as an alternative.

SAY: ➡ **God speaks**, and Samuel had to listen carefully! Let’s see if you can **look carefully** for some of the words God speaks to us in the Bible.

Distribute the activity pages and pencils. Allow time for kids to find all the words.

ASK: Which words were hardest to find? Why?

ASK: How is searching carefully for those hard words like listening carefully for God?

SAY: Sometimes when we do a word search, we have to look carefully or we’ll miss some words. And when it comes to hearing God, it helps to quiet ourselves and listen carefully. ➡ **God speaks**, but we can miss him in the noise of our own busyness and distractions!

ANSWER KEY CAN BE FOUND ON PAGE 163.

PRAY TOGETHER (5 MINUTES)

QUICK TIP

Age this prayer time up or down by challenging a group of mostly preteens to sit in silence for longer, or keeping it brief for a mostly younger group.

SAY: Sometimes it’s hard to keep our minds and hearts focused on talking with and listening to God. We try to pray and listen, but we start to think about what we want for supper, we spot a fly buzzing around, or we notice an itch on our nose. We start to think about friends or homework or our favorite TV show. Then we remember that we’re supposed to be listening for God! Oops!

Here’s the good news: Prayer isn’t just about talking to God. Prayer happens when we simply spend time with God and remember God is there with us. So don’t feel bad when your thoughts wander when you pray—our loving God will wander right along with you! Let’s practice spending quiet time with God right now.

Have everyone move so they can have some space around them and sit comfortably.

Now let’s spend time thinking about God and welcoming God into our thoughts. And if your thoughts start to wander? Simply talk with God about whatever you’re thinking. Ask him if there’s something he wants to tell you about that. We’ll have two minutes of quiet, then I’ll pray aloud.

Estimate two minutes by counting silently in your head. When time is up, close with this prayer.

PRAY: Dear God, may we always remember that you are with us and that you speak to us. Thanks for thinking with us and spending time with us today. We love you. Amen.

SAY: ➡ **God speaks**. So let’s always remember to listen for him!

God Speaks to Samuel

Coloring Page

1 Samuel 3: Samuel was about 12 years old, living in the Temple and helping work there, when he heard a voice calling his name at night. It turned out to be God's voice! God had a tough message for Samuel to deliver. But Samuel learned to hear God and share his messages. *God speaks* to us, too. Are you listening?

LISTEN UP!

SAY: When God spoke to Samuel, Samuel listened. Samuel learned to recognize God's voice. Let's see how well you know the sound of *my* voice.

- Direct kids to spread out throughout the room and close their eyes.
- Quietly move to a new place in the room.

SAY: Listen to my voice. Where am I?

- Encourage kids to keep their eyes closed while they point to where they believe you are.
- Count down from three, and have kids open their eyes to see if they were correct.
- Direct kids to close their eyes again, but this time, encourage them to march in place until you direct them to open their eyes.
- As kids march, quietly move to a new place in the room.

SAY: Listen to my voice. Where am I?

- Count down from three again, and have kids open their eyes.
- Repeat the process, adding additional noises for kids to make with each round, such as clapping, humming, or singing a favorite song.
- Continue as time allows.

SAY: You were great listeners!

ASK: What did you do to try to hear my voice in our game?

ASK: How can we better listen for God's voice?

SAY: You had to figure out where my voice was coming from. How can we be sure it's really coming from God when we think we hear his voice?

EXPLORE JOHN 10:27

SAY: You listened for my voice in our game. You had to try to tune out the other noises and focus on me. ➡ **God speaks**, so we listen for him, too. Sometimes we might need to tune out distractions! Let's see what the Bible says about listening for God's voice. Jesus said these words.

Read John 10:27.

SAY: This verse says we're like sheep, listening and obeying our shepherd. And Jesus is our shepherd! ➡ **God speaks** to us through his Son, Jesus, so we listen for him.

Samuel didn't recognize God's voice the first time, but by the time he was an adult, he definitely knew God's voice! The more we listen, the more we learn to know God's voice and follow him.

Welcome

WELCOME TO TWO OR MORE

The children's curriculum specially designed for small churches!

Small Churches Rock!

We see you, small churches. And we love you!

For too long, you've had to adapt curriculums that are geared for big groups of kids or that felt like big productions—when you have totally different needs and strengths.

And that's why we created Two or More—to help you shine!

With Two or More, you can rest assured that every lesson is designed just for you. Every lesson will...

- be simply laid out and easy to follow—easy to glance at quickly to maintain eye contact with kids
- be geared for smaller groups of kids
- help you capitalize on your greatest strength: your ability to foster relationships

...all while helping kids know Jesus and build lifelong faith!

Here's a fact: One of the greatest emotional needs kids have is to feel *seen*, *known*, and *loved*. To have that sense of “I belong here” and “people would notice if I weren't here.”

Those needs can be hard for big churches to fill. It takes a lot of intentionality for big churches to create small groups and make every child feel like he or she has a place.

But for you? That's your greatest strength! When you have only a few kids, you can't help but connect with them! Every child who comes into your church is seen, known, and loved.

Maybe you've thought that unless you grow in number, your efforts are of limited value—like teaching only a few kids isn't really making a big impact. But consider this: Jesus loved small. Sure, he taught big crowds. But he really invested his time in a relationship with 12 followers. And even among them, he had three he mentored even more closely.

When a boy brought Jesus a small offering of fish and bread, Jesus made it work. When Jesus saw a mustard seed, he said that's what faith should be like. When one sheep went missing, he noticed—and cared a lot.

Jesus can do a lot with small.

HOW DOES IT WORK?

You may be wondering...will this really be age-appropriate for my preschoolers?

Yes!

Two or More ensures that every lesson is simple and applicable for preschoolers.

Here are the ingredients of our secret sauce to make lessons meaningful for preschoolers:

- **Simplicity.** Kids learn one easy-to-remember Bible point each week.
- **Discussion.** We help preschoolers process discoveries and share their own stories through simple, preschool-friendly questions.
- **Application.** We make sure preschoolers know *why* the Bible story matters to them with application that makes sense in a 3-year-old's world.
- **Movement.** Because kids are moving, they're engaged, and you'll keep their short attention spans.
- **YOU.** Because you're there, loving every one of them, kids will walk away feeling seen, known, and loved.

Plus, you'll find that while each quarter of Two or More includes bite-size themes, you'll work through the Bible, both Old and New Testament, every year! This approach helps you give a strategic, thoughtful faith foundation to kids in your ministry.

We've curated the most small-church-friendly parts of Dig In curriculum, adapted it just for you, and designed it in a glanceable layout that you're sure to love.

TWO OR MORE LESSONS

So what can you expect as you dive into Two or More?

Check In

This section was designed to really hone in on the small church's ability to see and know kids. Each week, there's a general question about how kids are doing—a chance for them to share openly. And because you have only a few kids, there's time for *everyone* to share.

Set the Stage

To set the stage, you'll ask a more fun, imaginative question that helps kids gear up for the day's Bible point or story.

Experience the Bible

Kids won't sit passively and listen to you tell a Bible story. The Bible comes to life in an experiential way! With simple, effective experiences, kids get to unpack what happened in the Bible...and why that matters today.

Hands-On Discovery

We surveyed small churches and found that most of you love to do crafts or science experiments. In Hands-On Discovery, kids get their hands busy and make exciting crafts or see how science can point us to God. But these crafts and object lessons aren't merely busy work—they're intentional experiences geared toward discovery and life application.

Play a Game

Yes, you can play games! Even with mixed ages. Even with only two kids. You'll never see a game in Two or More that requires you to break into teams...because we know your small group may *be* a team! But we also know that kids love to play *with you*. So no matter how many kids you have, join in the fun to help build relationships! Plus, every game wraps up with questions that help kids make a connection to the Bible point.

Color and Create

Coloring sheets provide a visual preschoolers can enjoy and take home. These coloring sheets also include the Bible passage and a summary of what they learned, so parents can get a quick glance at what their kids are learning. Plus, some coloring sheets involve adding extra fun elements!

Pray Together

Of course, prayer is important! And this section models that by helping kids get involved in praying rather than simply hearing their teacher pray. With your smaller group, it's a great chance to give *every child* a turn to pray.

BONUS: Explore More

We know that some churches are pressed for time and may not even be able to use all the experiences above! But we also know that sometimes you have more than an hour to teach, and we want to make sure every moment counts. Your time with kids is limited and precious, so don't rely on disconnected games and activities to "fill time." Instead, use this intentional experience that furthers kids' exploration of the Bible point.

BONUS: Sing Together

We know that some small churches have kids in "big church" for worship and others don't. So if you need to incorporate worship music in your lesson, we've got you covered with all-included downloadable music videos and audio tracks in the Digital Download Center. Need a DVD? The Best of Dig In DVD, available at group.com, has all the same great songs you'll find online! If you do use media, this is a great opportunity to involve teenagers as leaders—most teens know a lot about technology!

Don't feel like you have to do *all* the options. With Two or More's one-point learning, you're guaranteed to cover the point of the lesson, no matter how far you get!

God Speaks to Samuel

1 Samuel 3

Lesson

1

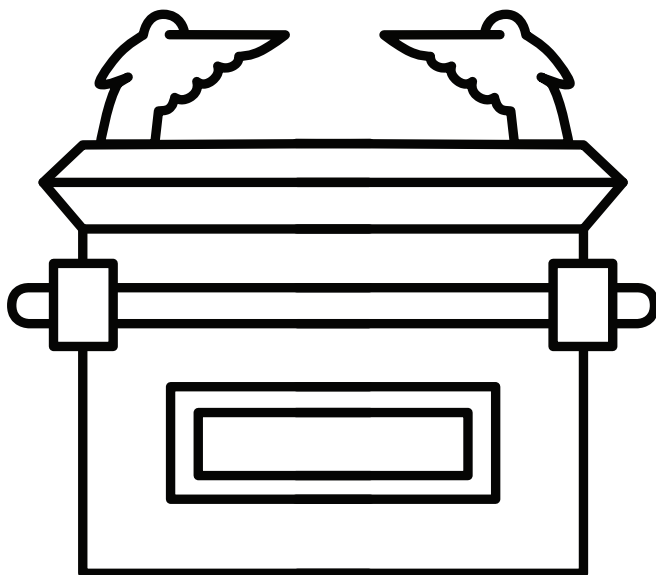

Teacher Background

What Happens: Samuel is a young boy who lives in the Tabernacle. One night, he wakes up to someone calling his name. He thinks it's Eli, the priest, but it's not. The third time Samuel hears his name, Eli realizes it's God. Samuel listens to God's message and passes it along. God speaks, so we listen for him.

Why It Matters: As attention spans get shorter than ever, even preschoolers tend to keep busy and hustle from one activity to the next. It can be hard for kids to have room to listen for God. Use this lesson to encourage kids to pause for at least a few minutes each day, allowing space for God to speak.

Think About: Have you ever felt like God was speaking to you? How did you respond?

Pray that your kids will hear God speaking to them.

Point:

God speaks.

Key Verse:

"So don't be afraid; you are more valuable to God than a whole flock of sparrows."

Matthew 10:31

QUICK TIP

With a smaller group, there should be time for everyone to share. What a great chance to build community! Listen well and without judgment, and don't pressure kids to share if they don't feel comfortable.

CHECK IN (5 MINUTES)

- Thank kids for coming and have kids show their goofiest faces to everyone around them.
- Make announcements and collect offering.
- Celebrate any birthdays by having preschoolers give the birthday child a fist bump with fireworks. (Make a fist, and when you bump your fist to another person's fist, open your hand and wiggle your fingers.)

ASK: What do you want to tell everyone today? Share your own quick story first, and then let everyone share! For groups of more than six, have kids share in pairs so everyone has a turn to talk.

SET THE STAGE (5 MINUTES)

SAY: The Bible says that ➡ **God speaks**. Today we'll hear a story about how God talked to a boy named Samuel. Samuel was sleeping and heard a sound. It was God! Let's start our lesson by talking about sounds we hear.

ASK: Share about a sound you like. Share your own quick answer first, and then let everyone share!

SAY: The boy we'll read about in the Bible today heard a surprising sound in the night. He heard God's voice. God talked to him, and ➡ **God speaks** to us, too. Let's listen to God as we read from the Bible today.

EXPERIENCE THE BIBLE (10 MINUTES)

ACT IT OUT

Show the Bible.

SAY: Let's find out what happened with Samuel.

Eli was one of God's friends, and Samuel was Eli's helper. One night Eli went to bed, and Samuel was sleeping nearby in a place called the Tabernacle. The Tabernacle was a special place for God. Something happened when they were asleep.

Have kids lie down and close their eyes. Pause for a few seconds.

SAY: God called Samuel's name! Samuel! Have kids sit up and open their eyes, if they haven't already.

SAY: Samuel got right up, and he went to his teacher, Eli. Pretend you're Samuel and I'm Eli. In a minute, I'll have you close your eyes, and when you do, listen for me to say "Samuel." As soon as you hear me say "Samuel," wake up, run to me, and say, "What is it, Eli?"

If you have young preschoolers in your class, have the children practice repeating the line with you a few times before they close their eyes.

SAY: The Bible says Samuel went to sleep.

Have the children close their eyes and pretend to sleep. Move away from kids so they'll be able to travel to you when they wake up. Pretend to be

asleep, but call out Samuel's name. Remind children to wake up, run to you, and say, "What is it, Eli?" Then sit up.

SAY: I didn't call you. In the Bible, Eli was fast asleep. He told Samuel to go back to bed.

Have a helper lead children back to their resting area to lie down and close their eyes.

After a few seconds, pretend to sleep again and repeat sleeping and calling Samuel's name two more times.

SAY: This time when Samuel woke Eli up, Eli realized that it was God who was saying Samuel's name. So Eli told Samuel to go lie down again. Eli said that if someone called Samuel's name again, he should say, "Speak, God, I'm listening."

Have an adult or teen helper lead children back to their resting area to lie down.

SAY: When you close your eyes, listen for me to say "Samuel." As soon as you hear me say "Samuel," say what Eli told Samuel to say: "Speak, God, I'm listening."

Have kids close their eyes, and wait about five seconds.

SHOUT: Samuel!

Lead children to say, "Speak, God, I'm listening" Repeat this a few times, each time leaving a different amount of time before you shout Samuel's name.

SAY: Samuel did what Eli told him to do, and God spoke to Samuel. God told Samuel that something very big was coming because the people weren't obeying God.

The next morning, Eli wanted to know what God said to Samuel. Samuel shared what God said, and Eli listened to God's important message, and he obeyed God. God spoke, and both Eli and Samuel listened to God.

LISTEN

SAY: This was the first time God gave Samuel an important message, and Samuel grew up to share many important messages with God's friends. Samuel was called a *prophet*, and God spoke to Samuel many times.

➡ **God speaks** to us, too. We might not hear his voice out loud, but we can hear God's message in other ways.

Let's listen to God now. Close your eyes. I'll pray, and then let's all be quiet and listen. Maybe you'll get a feeling, hear something in your heart, or see a picture in your mind.

PRAY: God, speak to us. We are listening.

Allow time for kids to listen.

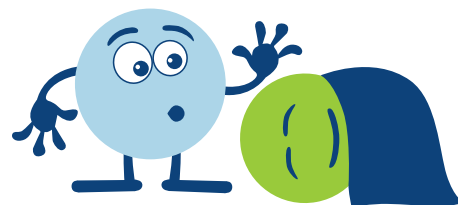

PRAY: God, thank you that you speak to us. Help us listen better.

Allow time for kids to share if they heard anything.

Celebrate Small

What a blessing to have a small group! You can have an intimate conversation about how God spoke to your preschoolers. Don't rush through this time—demonstrate listening well!

SUPPLIES

- paper plates (1 per child)
- markers
- tape
- decorating supplies such as stickers or foam shapes

EASY PREP

- Make a sample craft to show kids.

Quick Tip

Have adult or teen helpers monitor children closely and teach them appropriate use of the ear trumpets to avoid them sticking the sharp ends into their ears.

MAKE EAR TRUMPETS

ASK: What do you do if you're trying to listen better?

SAY: Let's make something that will help us listen better.

Show preschoolers the sample craft by holding the tapered end of the paper plate up to your ear.

SAY: This is called an ear trumpet. A long time ago, some people used these to hear better when someone talked to them. Let's each make one, and then we can try them out!

- Give each preschooler a paper plate, and let kids color on both sides with crayons or markers.
- As preschoolers finish coloring, roll their plates tightly on one end to make a cone shape, and let preschoolers help add tape to the overlapped sides of the plate to keep them in place.
- If time allows, have preschoolers add stickers, foam shapes, or other decorations to their ear trumpets.

TRY THEM OUT

SAY: Let's practice listening with our ear trumpets.

Help preschoolers get into pairs.

Have children take turns whispering "God loves you" to their partners without using the ear trumpets. Then have the listening partner put the small end of the cone close to his or her ear, and have the other partner whisper "God loves you" again to compare the difference.

SAY: Just like we listened for our partner's voice, we can listen for God because ➡ **God speaks** to us. We can practice listening by quieting down and being still as we listen for God to speak.

PLAY A GAME LIKE SIMON SAYS

SAY: In our Bible story, Samuel listened to his teacher, Eli, and did what he said. Let's play a game where you'll listen and do what your leader wants you to do!

- Have kids stand in front of you.
- Give kids instructions, but communicate the tasks in different ways. Ideas include the following:
 - ◇ *Tell* them to jump up and down.
 - ◇ *Whisper* to sit on the ground.
 - ◇ *Sing* the first line of "Row, Row, Row Your Boat" and pretend to paddle.
 - ◇ Put your hands on your head, and *motion* for them to do the same.
 - ◇ *Whisper* "Tell your friends to bark like a dog" to one child, and then have the child tell the instructions to the whole group.
 - ◇ *Draw* a smiley face to tell kids to smile.
 - ◇ *Sing* "If You're Happy and You Know It," and have kids clap.
 - ◇ *Tell* kids to give a friend a high-five.
 - ◇ Pat your knees, and *motion* for kids to join you.
 - ◇ *Whisper* "Tell your friends to quack like a duck" to one child, and have the child share the instructions with the whole group.
 - ◇ *Draw* a sad face to tell kids to frown.
- Play for several minutes, mixing up different instructions and communication methods. The faster and sillier, the better! End by using your voice to tell everyone to sit in a knee-to-knee circle.

TALK ABOUT IT

SAY: In our game, I spoke in different ways. Sometimes I talked with my voice, and other times I showed you what to do or gave you a message through someone else. ➡ **God speaks** like that, too.

Let's think of some ways we can hear important messages from God.

Share about two ways you've heard God talking to you. Maybe you've heard God tell you something when you were listening to or singing a song. Maybe you read something in the Bible and it helped you make a choice in your life. Or maybe you heard a sermon that you felt was specifically for you.

ASK: What are some ways you think God can give you an important message?

SAY: We might not always hear God's voice like Samuel did, but God talks to us through songs, through words in our Bibles, and through other people, too! No matter how ➡ **God speaks**, we can listen for him and do what he says.

SUPPLIES

- “God Speaks to Samuel” Coloring Page (page 15)

Distribute the coloring pages and crayons.

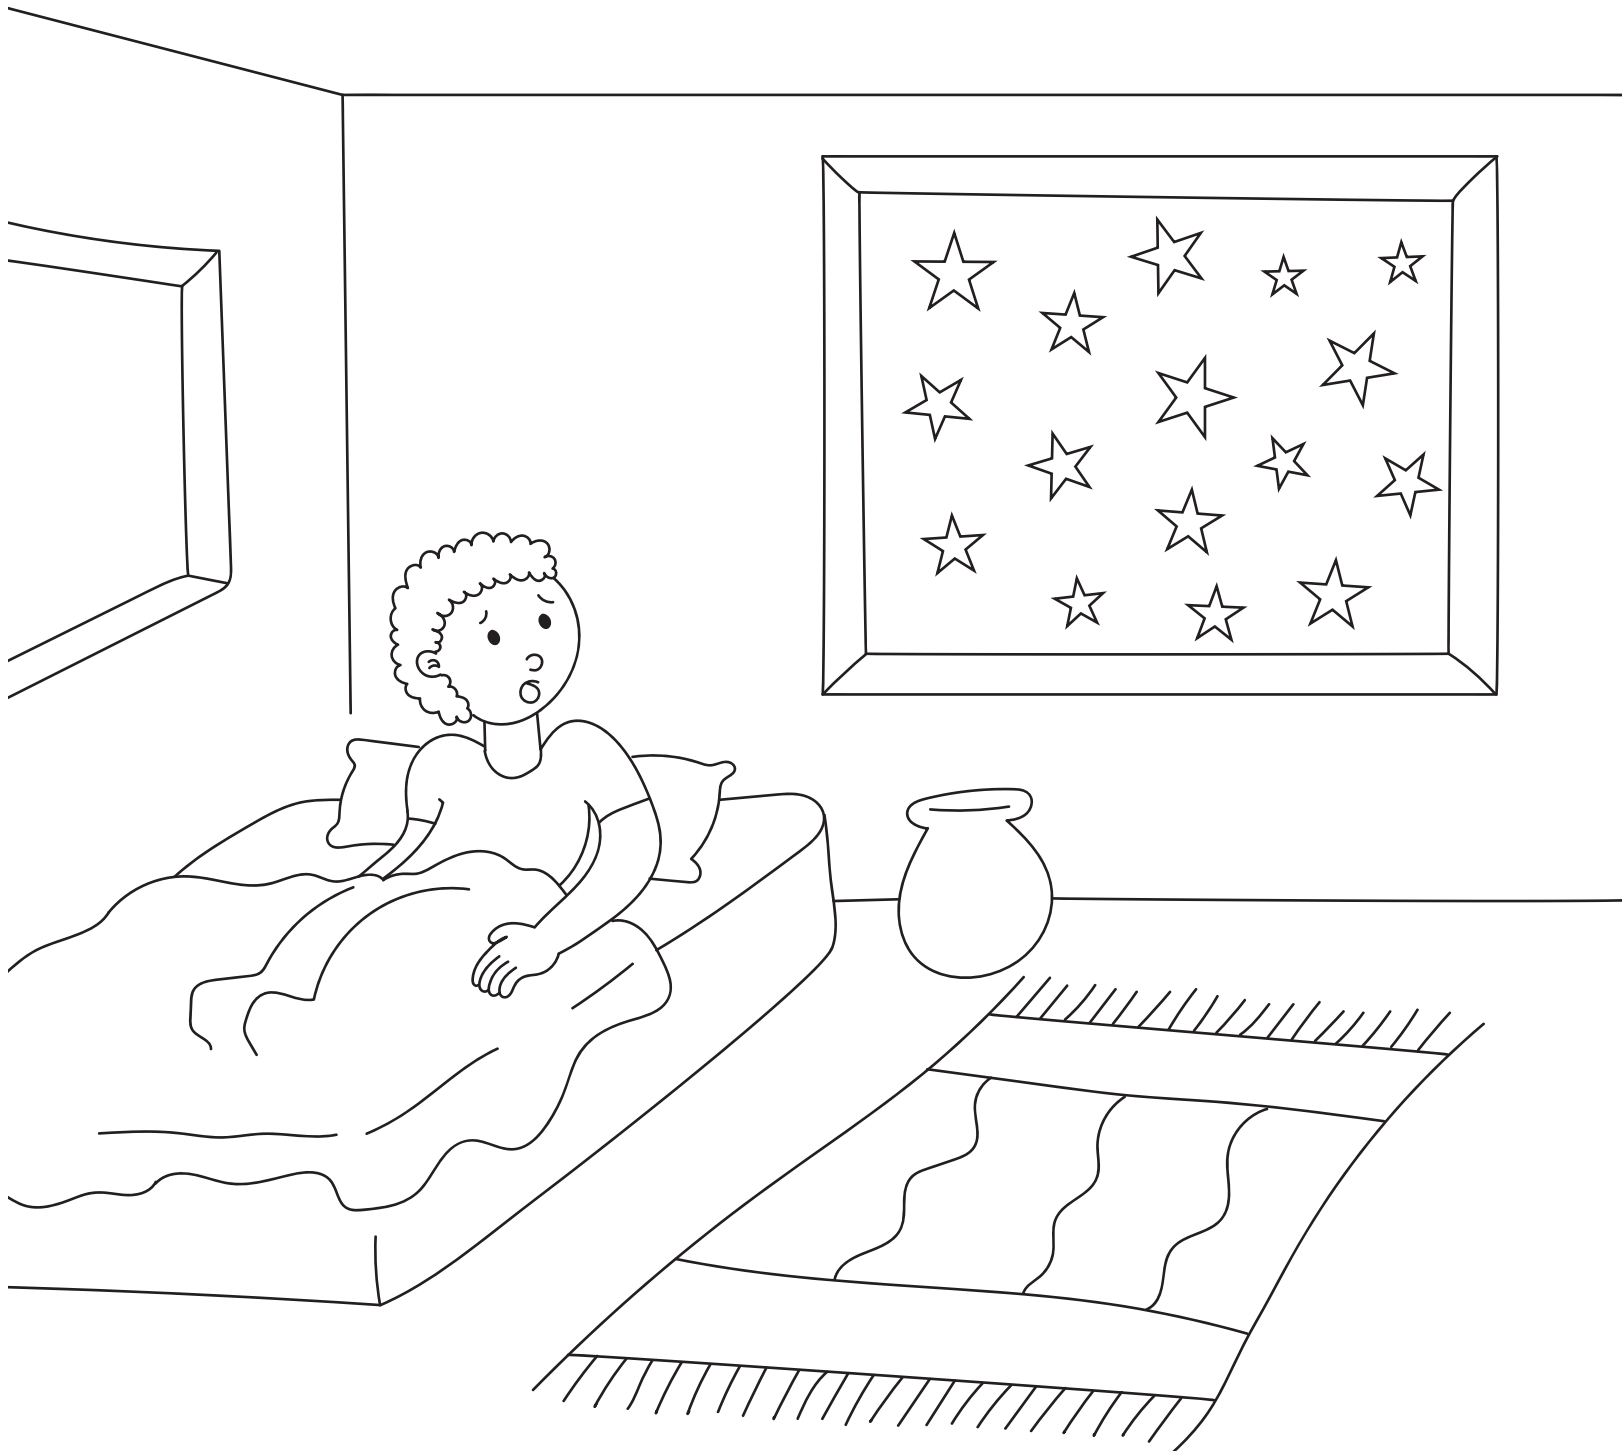

SAY: ➡ **God speaks to us, just as he spoke to Samuel! Let’s color Samuel as we listen for God.**

Allow time for kids to color.

God Speaks to Samuel

Coloring Page

1 Samuel 3: Samuel was about 12 years old, living in the Temple and helping work there, when he heard a voice calling his name at night. It turned out to be God's voice! God had a tough message for Samuel to deliver. But Samuel learned to hear God and share his messages. *God speaks* to us, too. Are you listening?

LISTEN TO LOVE

SAY: Today we heard how God talked to his friend Samuel, and we found out that ➡ **God speaks** to us, too. Let's listen to some things God says to us. God talks to our hearts when he speaks to us, so let's put our hands on our hearts as we listen to God.

Lead children to place their hands over their hearts.

Show the Bible.

SAY: The Bible is one way God speaks to us. It says in John 3:16, "For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life."

We listened to something God speaks to us: God says he loves us. And he showed us that by sending his Son, Jesus. Now let's talk to him. We can tell him we love him, too.

Lead kids to hold out their arms to welcome a hug from God and say to God, "I love you, too, God."

LISTEN AND THANK

Show the Bible.

SAY: The Bible says in Psalm 139:13, "You made all the delicate, inner parts of my body and knit me together in my mother's womb."

We listened to something God speaks to us: God says he made each of us perfectly. Now let's talk to him. We can thank him for making us.

Lead kids to thank God for several of their body parts and touch those body parts as they thank God. For example, you might lead kids to thank God for making their legs as they place their hands on their legs and thank God for making their minds that they think with as kids touch their heads.

LISTEN AND ASK

Show the Bible.

SAY: God's Son, Jesus, said in John 14:15, "If you love me, keep my commandments."

We listened to something God's Son says to us: Jesus says to obey and follow him. Now let's talk to him. We can ask Jesus to help us follow him.

Lead kids to hold their arms up in the air to ask for Jesus' help and say, "Jesus, help me follow you."

SAY: Keep asking grown-ups to read to you from the Bible, because that's an important way ➡ **God speaks** to us.

LISTEN TO A MESSAGE

SAY: ➡ **God speaks**, so we listen for him. Let's explore some of the ways
➡ **God speaks to us.**

Have preschoolers sit with you in a circle.

Whisper to the child sitting on your right, "God loves you." Lead kids to pass the message around the circle by whispering to the kids next to them. Continue until the message gets back to you.

SAY: You had to be really quiet and listen closely to your friend's voice. That reminds me of one way we can hear from God. We might not hear God's loud, booming voice like Samuel did. But when we're quiet and listening for God, we might have thoughts pop into our heads from God. God might tell you, "I love you" or "I'm proud of you."

God can also use other people to speak to us. When someone shares kind words with you, like "God loves you," God is using that person to make sure you know how special you are!

LOOK FOR A MESSAGE FROM GOD

SAY: Let's try something else.

Have preschoolers lie down and close their eyes.

SAY: Let's use our imaginations. Keep your eyes closed and imagine eating your favorite ice cream in a big ice cream cone...with lots of sprinkles! Pause. Can you see a picture of that yummy ice cream in your mind? Pause.

SAY: Now I want you to imagine Jesus walking up to you and giving you a great big hug! Pause. Can you see it? OK, you can open your eyes now.

Have preschoolers sit up.

SAY: Another way ➡ **God speaks** to us is through pictures or things we see! You can ask God for a picture when you close your eyes, like seeing Jesus give you a hug or a dream when you go to sleep. And when we look around us, we can see lots of things God uses to remind us of his love.

LEARN FROM GOD'S WORD

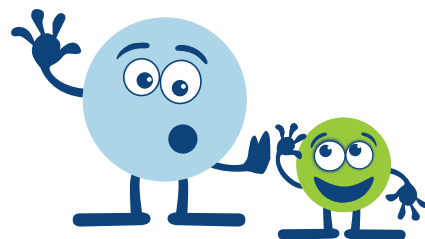

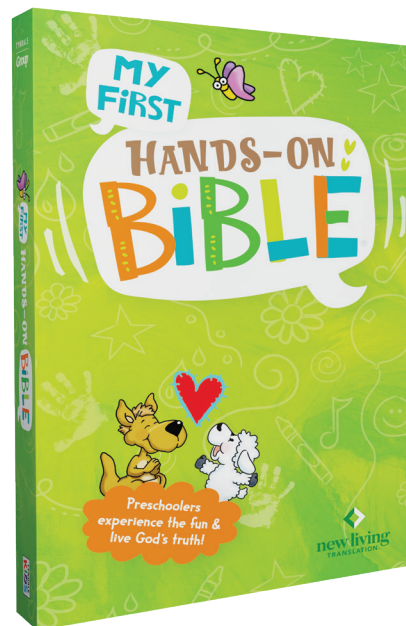

Set out the picture Bibles.

SAY: Another way ➡ **God speaks** to us is through his words in the Bible. The Bible is full of God's words that tell us how much he loves us. God's words in the Bible also tell us the best way to live.

Let preschoolers flip through the Bibles to look at the pictures. Have adult or teen helpers lead kids to look for pictures that show love. They might show people loving each other, or they might show Jesus loving people by talking to them and healing them.

SUPPLIES

- picture Bibles

SAY: When we know what God tells us in the Bible, those good things will stay in our minds and hearts and help us when we're feeling sad or lonely or scared.

God spoke to Samuel through a loud voice that woke up Samuel. But ➡ **God speaks** to us in so many other ways, too.
